Wichita doctor surrenders license

A Wichita doctor has surrendered his license to the Kansas State Board of Healing Arts in lieu of further disciplinary proceedings. KSBHA entered into a consent agreement with Lawrence M. Simons, M.D., September 9, in which he agreed to surrender his Kansas medical license.

The Kansas State Board of Healing Arts filed a disciplinary petition against the medical license of Dr. Simons in April 2009. The disciplinary petition included alleged violations of statute such as excessive prescribing of a controlled substance; unprofessional conduct; commission of fraud or misrepresentation in applying for or securing an original, renewal or reinstated license; and failure to keep written medical records, amongst other violations.

Simons held a license in Kansas since 2003.

The redacted version of the consent order for surrender is attached.
