**Overland Park Doctor Surrenders License**

An Overland Park doctor has surrendered her license to the Kansas State Board of Healing Arts in lieu of further disciplinary proceedings. KSBHA entered into a consent agreement with Giselle Wildman, D.O., on September 22, 2009, in which she agreed to surrender her Kansas medical license.

Wildman has held a license in Kansas since 2002. Her license was inactive at the time of surrender. Wildman is prohibited for a period of three years from reapplying for licensure.

**Olathe Occupational Therapy Assistant**

On September 23, 2009, an Emergency Order of Suspension was filed against Jenni A. Denton, license number 18-00577. Ms. Denton was immediately suspended from practicing as an Occupational Therapy Assistant.

The Presiding Officer found evidence to substantiate acts of unprofessional conduct and that the licensee is unable to practice occupational therapy with reasonable skill and safety.

This licensee has held a Kansas license since 2002. She has the opportunity to appeal the emergency order.
