

CHANGES TO PHYSICIAN ASSISTANT SUPERVISION REGULATIONS

At the December 3, 2010 meeting of the Kansas State Board of Healing Arts, the Board directed staff to proceed with amendments to the physician assistant supervision regulations, specifically K.A.R. 100-28a-10.

PLEASE NOTE: The proposed changes to K.A.R. 100-28a-10 are not currently in effect and will not be effective until they have been through the regulation approval process. The Board of Healing Arts will post notice on its website when the amendments to the regulation become effective. Please continue to follow the guidelines as currently set forth in K.A.R. 100-28a-10 until further notice.
