   Active, having last renewed such license on or about December 08, 2021.

3. The Board is the sole and exclusive administrative agency in Kansas authorized to regulate

6. Licensee voluntarily and knowingly waives his right to a hearing. Licensee voluntarily and knowingly waives his right to present a defense by oral testimony and documentary evidence, to submit rebuttal evidence, and to conduct cross-examination of witnesses. 11. CONFIDENTIAL

   a. On or about February 9, 2017, Licensee applied diathermy to nine (9)-year-old Patient H.F. to regions for which there are known contraindications. As diathermy was applied for acute sinusitis, it is likely that the effects of diathermy would have occurred over the peri-orbital regions and/or over areas where the growth plates have not closed.

   b. Licensee applied manipulation to five spinal regions to Patient H.F. without appropriate evaluation of these regions and without appropriate documentation of subjective complaints or clinical rationale as to the reason for why those areas needed to be manipulated.

   c. The Board has received medical records for Patient H.F.’s treatment by Licensee and has reviewed the same.

   d. Licensee failed to maintain adequate and/or accurate medical records for Patient H.F.

12. CONFIDENTIAL

have occurred around the periorbital regions and/or over areas where the growth plates have not closed.

b. The Board has received medical records for Patient J.W.'s treatment by Licensee and has reviewed the same.

c. Licensee failed to maintain adequate and/or accurate medical records for Patient J.W.

13. CONFIDENTIAL

a. On or about September 19, 2017 through about December 19, 2017, Licensee applied diathermy treatment to two (2)-month old Patient E.L.'s head and chest on at least ten (10) occasions. Applying diathermy to this patient could have had a significant adverse effect on an epiphyseal center.

b. The Board has received medical records for Patient E.L.'s treatment by Licensee and has reviewed the same.

c. Licensee failed to maintain adequate and/or accurate medical records for Patient E.L.

14. CONFIDENTIAL

a. On or about February 3, 2017, Licensee applied diathermy treatment to the head and chest of fourteen (14)-year-old female Patient L.H.

b. Diathermy was applied to regions and for conditions for which there are known contraindications. The effects of diathermy would have likely occurred over the peri-orbital regions and/or over areas where the growth plates have not closed.
c. The Board has received medical records for Patient L.H.'s treatment by Licensee and has reviewed the same.

d. Licensee failed to maintain adequate and/or accurate medical records for Patient L.H.

15. Licensee acknowledges that if formal hearing proceedings were conducted and Licensee presented no exhibits, witnesses, or other evidence, the Board has sufficient evidence to prove that Licensee has violated the Kansas Healing Arts Act with respect to the above allegations. Licensee further waives his right to dispute or otherwise contest the allegations contained in the above paragraphs in any further proceedings before the Board.

16. Licensee violated K.S.A. 65-2836(b) in that Licensee has committed professional incompetency as defined by K.S.A. 65-2837(a)(2). Specifically, Licensee committed repeated instances involving failure to adhere to the applicable standard of care to a degree that constitutes ordinary negligence, as determined by the Board.

18. Under K.S.A. 65-2836, the Board may revoke, suspend, limit, censure, or place under probationary conditions Licensee's license. Under K.S.A. 65-2836(a), the Board has the authority to impose administrative fines for violations of the Kansas Healing Arts Act.
19. According to K.S.A. 65-2838(b) and K.S.A. 77-505, the Board has authority to enter into this Consent Order without the necessity of proceeding to a formal hearing.

20. All CONFIDENTIAL materials regarding Licensee, were fully reviewed and considered by the Board members who serve on the Board's Disciplinary Panel. Disciplinary Panel No. 35 authorized and directed Board counsel to seek settlement of this matter with the provisions contained in this Consent Order.

21. Licensee further understands and agrees that if the Board finds, after due written notice and an opportunity for a hearing, that Licensee has failed to comply with any of the terms of this Consent Order, the Board may immediately impose any sanction provided for by law, including but not limited to suspension or revocation of Licensee's license to practice chiropractic in Kansas. Licensee hereby expressly understands and agrees that, at any such hearing, the sole issue shall be whether or not Licensee has failed to comply with any of the terms or conditions set forth in this Consent Order. The Board acknowledges that at any such hearing, Licensee retains the right to confront and examine all witnesses, present evidence, testify on his own behalf, contest the allegations, present oral argument, appeal to the courts, and all other rights set forth in the Kansas Administrative Procedures Act, K.S.A. 77-501 et seq. and the Kansas Healing Arts Act K.S.A. 65-2801 et seq.

22. Nothing in this Consent Order shall be construed to deny the Board jurisdiction to investigate alleged violations of the Kansas Healing Arts Act or to investigate complaints received under the Risk Management Law, K.S.A. 65-4921 et seq., that are known or unknown and are not
covered under this Consent Order, or to initiate formal proceedings based upon known or unknown allegations of violations of the Kansas Healing Arts Act.

23. Licensee hereby releases the Board, its individual members (in their official and personal capacity), attorneys, employees and agents, hereinafter collectively referred to as “Releases”, from any and all claims, including but not limited to those alleged damages, actions, liabilities, both administrative and civil, including the Kansas Judicial Review Act, K.S.A. 77-601 et seq. arising out of the investigation and acts leading to the execution of this Consent Order. This release shall forever discharge the Releasees of any and all claims or demands of every kind and nature that Licensee has claimed to have had at the time of this release or might have had, either known or unknown, suspected or unsuspected, and Licensee shall not commence to prosecute, cause or permit to be prosecuted, any action or proceeding of any description against the Releasees.

25. This Consent Order, when signed by both parties, constitutes the entire agreement between the parties and may only be modified or amended by a subsequent document executed in the same manner by the parties.

26. Licensee agrees that all information maintained by the Board pertaining to the nature and result of any complaint and/or investigation may be fully disclosed to and considered by the Board in conjunction with the presentation of any offer of settlement, even if Licensee is not present.
