KS State Board of Healing Arts

Docket No. 08-HA-00171

**CONSENT ORDER**

**COMES NOW**, the Kansas State Board of Healing Arts (“Board”) by and through Dan Riley, Associate Counsel (“Petitioner”), and Terry Farney, D.C. (“Licensee”), by and through his counsel Gregory Young, and move the Board for approval of a Consent Order affecting Licensee’s license to practice chiropractic in the State of Kansas. The parties stipulate and agree to the following:

1. Licensee’s last known mailing address as provided to the Board is 215 S. Andover Road #C, Andover, Kansas 67002.
2. Licensee is or has been entitled to engage in the practice of chiropractic in the state of Kansas, having been issued License No. 01-03608 on December 22, 1981. Licensee’s current license status is active. Licensee had no history of administrative disciplinary action against his Kansas license prior to this current disciplinary action.
3. The Board is the sole and exclusive administrative agency in the State of Kansas authorized to regulate the practice of the healing arts, specifically the practice of chiropractic. K.S.A. 65-2801 *et seq.*; K.S.A. 65-2869.
4. This Consent Order and the filing of such document are in accordance with applicable law and the Board has jurisdiction to enter into the Consent Order as

provided by K.S.A. 65-2838. Upon approval, these stipulations shall constitute the findings of the Board, and this Consent Order shall constitute the Board's Final Order.

5. The Kansas Healing Arts Act is constitutional on its face and as applied in this case. Licensee agrees that, in considering this matter, the Board is not beyond its jurisdiction as provided by law.

6. Licensee voluntarily and knowingly waives his right to a hearing. Licensee voluntarily and knowingly waives his right to present a defense by oral testimony and documentary evidence, to submit rebuttal evidence, and to conduct cross-examination of witnesses. Licensee voluntarily and knowingly agrees to waive all possible substantive and procedural motions and defenses that could be raised if an administrative hearing were held. Licensee's waiver of these rights is not an admission of the Board's allegations. Licensee specifically denies these claims and allegations but wishes to resolve this complaint without protracted expensive litigation.

7. The terms and conditions of the Consent Order are entered into between the undersigned parties and are submitted for the purpose of allowing these terms and conditions to become an Order of the Board. This Consent Order shall not be binding on the Board until an authorized signature is affixed at the end of this document. Licensee specifically acknowledges that counsel for the Board is not authorized to sign this Consent Order on behalf of the Board.

8. At all relevant times hereto, Licensee has been actively practicing in the specialty of chiropractic.

9. Petitioner alleges that Licensee committed acts constituting unprofessional and/or dishonorable conduct in violation of the Healing Arts Act,

specifically K.S.A. 65-2836(b), K.S.A. 65-2837(b)(16) and K.S.A. 65-2837(b)(25), for the commission of act(s) of sexual abuse, misconduct, or exploitation related to Licensee's professional practice and for failure to keep written medical records which accurately describe the services rendered to the patient, including patient histories, pertinent findings, examination results and test results. The specific allegations are set forth in the First Amended Petition filed on April 3, 2008.

10. Licensee waives his right to contest the allegations contained in the First Amended Petition in this and any future Board proceedings and agrees to not contest a finding that there are grounds for discipline against his license.

11. According to K.S.A. 65-2838(b), the Board has authority to enter into this Consent Order without necessity of proceeding to a formal hearing.

12. In lieu of the conclusion of formal proceedings and/or the making of findings by the Board, Licensee, by signature affixed to this Consent Order, hereby voluntarily agrees to the following disciplinary measures against his license to engage in chiropractic in the State of Kansas:

- a. Licensee hereby **SURRENDERS** his license to practice chiropractic, effective upon filing of this Consent Order with the Board. Such surrender shall be treated as a revocation for all purposes, including reporting. Licensee may not apply for reinstatement of his license until three (3) years after the date the Consent Order is filed with the Board;
- b. Licensee agrees that if he applies for reinstatement of his license, such application will be considered by the Board in accordance with

the provisions of K.S.A. 65-2844. Further, Licensee's application will be governed by Vakas v. The Kansas State Board of Healing Arts, 248 Kan. 589 (Kan. 1991), and all applicable statutes, laws and rules and regulations regarding the qualifications for licensure and reinstatement; and

- c. Licensee agrees that in the event he applies for reinstatement of his license, the allegations contained in the First Amended Petition will be considered as findings of fact and conclusions of law for the purpose of such application for reinstatement.

13. Nothing in this Consent Order shall be construed to deny the Board jurisdiction to investigate alleged violations of the Healing Arts Act, or to investigate complaints received under the Risk Management Law, K.S.A. 65-4921 *et seq.*, that are known or unknown and are not covered under this Consent Order, or to initiate formal proceedings based upon known or unknown allegations of violations of the Healing Arts Act.

14. Licensee hereby releases the Board, its employees and agents, from any and all claims, including but not limited to, those damages, actions, liabilities and causes of action, both administrative and civil, including the Kansas Act for Judicial Review and Civil Enforcement of Agency Actions, K.S.A. 77-601 *et seq.* This release shall forever discharge the Board of any and all claims or demands of every kind and nature that Licensee has claimed to have had at the time of this release or might have had, either known or unknown, suspected or unsuspected, and Licensee shall not commence to prosecute, cause or permit to be prosecuted, any action or proceeding of

any description against the Board, its employees or agents, arising out of acts leading to the execution of this Stipulation or the content of this Stipulation.

15. Licensee further understands and agrees that upon signature by Licensee, this document shall be deemed a public record, and shall be reported to the National Practitioner Databank, Federation of State Medical Boards and any reporting entities authorized to receive disclosure of this Consent Order.

16. This Consent Order, when signed by both parties, constitutes the entire agreement between the parties and may only be modified or amended by a subsequent document executed in the same manner by the parties.

17. Licensee agrees that all information maintained by the Board pertaining to the nature and result of any complaint and/or investigation may be fully disclosed to and considered by the Board in conjunction with the presentation of any offer of settlement, even if Licensee is not present. Licensee further acknowledges that the Board may conduct further inquiry as it deems necessary before the complete or partial acceptance or rejection of any offer of settlement.

18. Licensee by signature to this document, waives any objection to the participation of the Board members and General Counsel in the consideration of this offer of settlement, and agrees not to seek the disqualification or recusal of any Board member or General Counsel in any future proceeding on the basis that the Board member or General Counsel has received investigative information from any source which otherwise may not be admissible or admitted as evidence.

19. Licensee acknowledges that he has read this Consent Order and fully understands the contents.

20. All correspondence or communication between Licensee and the Board relating to this Consent Order shall be by certified mail addressed to the Kansas Board of Healing Arts, Attn: Compliance Coordinator, 235 S. Topeka Blvd., Topeka, Kansas 66603-3068.

21. Licensee shall obey all federal, state, and local laws and rules governing the practice of chiropractic in the State of Kansas that may be in place at the time of execution of the Consent Order or may become effective subsequent to the execution of this document.

22. Upon execution of this Consent Order by affixing a Board authorized signature below, the provisions of this Consent Order shall become an Order under K.S.A. 65-2838. This Consent Order shall constitute the Board's Order when filed with the Office of the Executive Director for the Board and no further order is required.

23. The Board may consider all aspects of this Consent Order in any future matter regarding Licensee.

**IT IS THEREFORE ORDERED** that the Consent Order and agreement of the parties contained herein is adopted by the Board, and is the Order of the Board.

**IT IS FUTHER ORDERED** that:

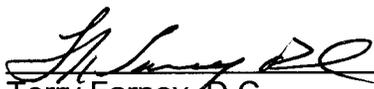

- a. Licensee hereby **SURRENDERS** his license to practice chiropractic, effective upon filing of this Consent Order with the Board. Such surrender shall be treated as a revocation for all purposes, including reporting. Licensee may not apply for reinstatement of his license until three (3) years after the date the Consent Order is filed with the Board;

- b. Licensee agrees that if he applies for reinstatement of his license, such application will be considered by the Board in accordance with the provisions of K.S.A. 65-2844. Further, Licensee's application will be governed by Vakas v. The Kansas State Board of Healing Arts, 248 Kan. 589 (Kan. 1991), and all applicable statutes, laws and rules and regulations regarding the qualifications for licensure and reinstatement; and
- c. Licensee agrees that in the event he applies for reinstatement of his license, the allegations contained in the First Amended Petition will be considered as findings of fact and conclusions of law for the purpose of such application for reinstatement.
