5. Applicant was granted a license to practice medicine and surgery in the Republic of the Philippines on February 6, 1957.

(b) Applicant has failed to provide proof satisfactory to the Board that Applicant's license to practice medicine and surgery in the Republic of the Philippines was based upon an examination at

least equal in quality to the examination required in this state and that the passing grade required to obtain such original license was comparable to that required in this state as required by (b).

(c) The Licenses held by Applicant in the States of West Virginia and Georgia have not been full and unrestricted licenses and are not entitled to be recognized to satisfy the requirements for endorsement.

7. Applicant does not meet the requirements of K.A.R. 100-8-1(b)(2) in that he has not provided credible evidence demonstrating the standards of the national examination required by the Republic of the Philippines prior to licensure.

IT IS THEREFORE BY THE BOARD ORDERED as follows:

(A) Applicants Application For Endorsement for a license to practice medicine and surgery in the State of Kansas, received in the Board office on October 29, 1990, should be denied for the reason that Applicant has failed to meet the qualifications as specified in K.S.A. 65-2833, K.A.R. 100-8-1 and K.A.R. 100-8-2.

(B) Applicant, pursuant to K.S.A. 77-511 and 77-537, is entitled to request a hearing before the Board or Presiding Officer appointed by the Board on his Application For Endorsement.
