The Parties stipulate and agree to the following:

findings of the Board, and this Consent Order shall constitute the Board's Final Order.

5. The Kansas Radiologic Technologists Practice Act is constitutional on its face and as applied in the case. Applicant agrees that, in considering this matter, the Board is not acting beyond its jurisdiction as provided by law.
6. Applicant voluntarily and knowingly waives her right to a hearing. Applicant voluntarily and knowingly waives her right to present a defense by oral testimony and documentary evidence, to submit rebuttal evidence, and to conduct cross-examination of witnesses. Applicant voluntarily and knowingly agrees to waive all substantive and procedural motions and defenses that could be raised if an administrative hearing were held.
7. The terms and conditions of the Consent Order are entered into between the undersigned parties and are submitted for the purpose of allowing these terms and conditions to become an Order of the Board. This Consent Order shall not be binding on the Board until an authorized signature is affixed at the end of this document. Applicant specifically acknowledges that counsel for the Board is not authorized to sign this Consent Order on behalf of the Board.
8. The Board has received information and investigated the same, and has reason to believe that there may be grounds pursuant to K.S.A. 65-7313(a) to take action with respect to Applicant's license under the Kansas Radiologic Technologists Practice Act, K.S.A. 65-7301 *et seq.*
9. In her application for licensure, Applicant answered "yes" to questions 12(t) and 12(u).

10. In explanation to her “yes” answers, Applicant disclosed that she had been arrested and charged with possession of marijuana and drug paraphernalia and that, in 2009, she had been arrested and charged with driving under the influence (DUI) of alcohol.
11. In regard to the charges of possession of marijuana and possession of drug paraphernalia, Applicant entered into, and successfully completed, a Diversion Agreement.
12. In regard to the DUI charge, Applicant also entered into, and successfully completed, a Diversion Agreement.
13. Confidential
- 14.
- 15.
16. Applicant acknowledges that if formal hearing proceedings were conducted and Applicant presented no exhibits, witnesses or other evidence, the Board has sufficient evidence to prove that Applicant has violated the Kansas Radiologic Technologists Practice Act with respect to the above allegations. Applicant further waives her right to dispute or otherwise contest the allegations contained in the above paragraphs in any further proceeding before this Board.

17. A protective order is hereby entered to protect all confidential information under 42 CFR Part II and K.S.A. 65-4925.
18. Applicant violated K.S.A. 65-7313(a)(8), as further defined by K.A.R. 100-73-6(h), by driving a vehicle while under the influence of alcohol.
19. Applicant agrees that driving a vehicle while under the influence of alcohol is conduct likely to harm the public.
20. Pursuant to K.S.A. 65-7313(a), the Board may revoke, suspend, limit, censure or place under probationary conditions Applicant's license for violations of the Kansas Radiologic Technologists Practice Act.
21. According to K.S.A. 77-505, the Board has authority to enter into this Consent Order without the necessity of proceeding to a formal hearing.
22. All pending case materials in KSBHA Case Number 15-00147 regarding Applicant were fully reviewed and considered by the Board members who serve on the Board's Disciplinary Panel No. 29. Disciplinary Panel No. 29 authorized and directed Board counsel to seek settlement of this matter with the provisions contained in this Consent Order.
23. Applicant further understands and agrees that if the Board finds, after due written notice and an opportunity for a hearing, that Applicant has failed to comply with any of the terms of this Consent Order, the Board may immediately impose any sanction provided for by law, including but not limited to suspension or revocation of Applicant's license to practice radiologic technology in the State of Kansas. Applicant hereby expressly understands and agrees that, at any such hearing, the sole issue shall be whether or not Applicant has failed to comply with any of the

terms or conditions set forth in this Consent Order. The Board acknowledges that at any such hearing, Applicant retains the right to confront and examine all witnesses, present evidence, testify on his own behalf, contest the allegations, present oral argument, appeal to the courts, and all other rights set forth in the Kansas Administrative Procedures Act, K.S.A. 77-501 *et seq.*, and the Kansas Radiologic Technologists Practice Act, K.S.A. 65-7301 *et seq.*

24. Nothing in this Consent Order shall be construed to deny the Board jurisdiction to investigate alleged violations of the Kansas Radiologic Technologists Practice Act or to investigate complaints received under the Risk Management Law, K.S.A. 65-4921 *et seq.*, that are known or unknown and are not covered under this Consent Order, or to initiate formal proceedings based upon known or unknown allegations of violations of the Kansas Radiologic Technologists Practice Act.

25. Applicant hereby releases the Board, its individual members (in their official and personal capacity), attorneys, employees and agents, hereinafter collectively referred to as "Releasees", from any and all claims, including but not limited to those alleged damages, actions, liabilities, both administrative and civil, including the Kansas Judicial Review Act, K.S.A. 77-601 *et seq.* arising out of the investigation and acts leading to the execution of this Consent Order. This release shall forever discharge the Releasees of any and all claims or demands of every kind and nature that Applicant has claimed to have had at the time of this release or might have had, either known or unknown, suspected or unsuspected, and Applicant shall not commence to prosecute, cause or permit to be prosecuted, any action or proceeding of any description against the Releasees.

26. Applicant further understands and agrees that upon signature by Applicant, this document shall be deemed a public record and shall be reported to any entities authorized to receive disclosure of the Consent Order.
27. This Consent Order, when signed by both parties, constitutes the entire agreement between the parties and may only be modified or amended by a subsequent document executed in the same manner by the parties.
28. Applicant agrees that all information maintained by the Board pertaining to the nature and result of any complaint and/or investigation may be fully disclosed to and considered by the Board in conjunction with the presentation of any offer of settlement, even if Applicant is not present. Applicant further acknowledges that the Board may conduct further inquiry as it deems necessary before the complete or partial acceptance or rejection of any offer of settlement.
29. Applicant, by signature to this document, waives any objection to the participation of the Board members, including the Disciplinary Panel and General Counsel, in the consideration of this offer of settlement and agrees not to seek the disqualification or recusal of any Board member or General Counsel in any future proceedings on the basis that the Board member or General Counsel has received investigative information from any source which otherwise may not be admissible or admitted as evidence.
30. Applicant acknowledges that she has read this Consent Order and fully understands the contents.
31. Applicant acknowledges that this Consent Order has been entered into freely and voluntarily.

33. Applicant shall obey all federal, state, and local laws and rules governing the practice of radiologic technology in the State of Kansas that may be in place at the time of execution of the Consent Order or may become effective subsequent to the execution of this document.

34. Upon execution of this Consent Order by affixing a Board authorized signature below, the provisions of this Consent Order shall become a Final Order under K.S.A. 77-505. This Consent Order shall constitute the Board's Order when filed with the office of the Executive Director for the Board and no further Order is required.

35. This Consent Order constitutes non-disciplinary action.

36. The Board may consider all aspects of this Consent Order in any future matter regarding Applicant.

37. Applicant understands that a Temporary License shall be issued based upon Applicant's signing this Consent Order, paying the temporary license fee, abiding by the terms of this Consent Order, and upon an authorized Board signature. Applicant further understands that the Temporary License is only effective until a hearing is held by the Board on ratification of this Consent Order and that if the Board fails to ratify this Consent Order, the Temporary License shall
