Kansas License No. 04-17778)

CONSENT ORDER

COMES NOW, the Kansas State Board of Healing Arts, (“Board”), by and through Kathleen Selzler Lippert, Associate Counsel (“Petitioner”), and Karan Y. Baucom, M.D. by and through her counsel, Thomas Beall (“Licensee”), and move the Board for approval of a Consent Order affecting Licensee’s license to practice medicine and surgery in the State of Kansas. The Parties stipulate and agree to the following:

1. Licensee’s last known mailing address to the Board is: 7010 West 107th Street, Suite 120, Overland Park, Kansas 66212.
2. Licensee is or has been entitled to engage in the practice of medicine and surgery in the State of Kansas, having been issued License No. 04-17778 on approximately December 15, 1978. Licensee’s license is cancelled. On or about November 27, 2006, Licensee submitted to the Board an application for reinstatement in medicine and surgery.
3. The Board is the sole and exclusive administrative agency in the State of Kansas authorized to regulate the practice of the healing arts, specifically the practice of medicine and surgery. K.S.A. 65-2801 et seq. and K.S.A. 65-2869.

Consent Order
Karan Y. Baucom, M.D.

4. This Consent Order and the filing of such document are in accordance with applicable law and the Board has jurisdiction to enter into the Consent Order as provided by K.S.A. 65-2838. Upon approval, these stipulations shall constitute the findings of the Board, and this Consent Order shall constitute the Board's Final Order.
5. The Kansas Healing Arts Act is constitutional on its face and as applied in the case.
6. Licensee agrees that, in considering this matter, the Board is not acting beyond its jurisdiction as provided by law.
7. Licensee voluntarily and knowingly waives her right to a hearing. Licensee voluntarily and knowingly waives her right to present a defense by oral testimony and documentary evidence, to submit rebuttal evidence, and to conduct cross-examination of witnesses. Licensee voluntarily and knowingly agrees to waive all possible substantive and procedural motions and defenses that could be raised if an administrative hearing were held.
8. The terms and conditions of the Consent Order are entered into between the undersigned parties and are submitted for the purpose of allowing these terms and conditions to become an Order of the Board. This Consent Order shall not be binding on the Board until an authorized signature is affixed at the end of this document. Licensee specifically acknowledges that counsel for the Board is not authorized to sign this Consent Order on behalf of the Board.
9. On or about November 27, 2006, Licensee submitted to the Board an application for reinstatement in medicine and surgery.

10. Application for reinstatement question 19 asks, "Have you ever been a defendant in a legal action involving professional liability (Malpractice) or had a professional liability claim paid in your behalf or paid such a claim yourself?" Licensee's response to question 19 was "no".
11. The National Practitioner Data Bank (NPDB) report indicates that there have been three (3) malpractice claims paid on behalf of Licensee; one claim was paid in 1992 and two claims were paid in 1996.
12. Application for reinstatement Section III requires applicants to, "List all states in which you have been licensed or are currently licensed. Make no omissions concerning previous licensure or disciplinary actions." Licensee listed only the State of Missouri.
13. In addition to the Missouri licensure, Licensee previously was licensed in the State of Kentucky.
14. Licensee did provide to the Board the information referenced in paragraphs 9-13 on her prior annual license renewal submissions. Licensee offers that she allowed staff to complete the November 27, 2006, application for reinstatement, and that she erroneously signed off on the information.
15. On February 7, 2007, a Board investigator discovered Licensee treating patients in her office. Licensee was advised to cease practicing medicine until she was licensed; Licensee complied.
16. Licensee practiced the healing arts while her license was cancelled. Licensee's license expired on July 31, 2006 and was cancelled on August 1, 2006 for failure to renew.

17. Licensee would request that her license be reinstated retroactively to August 1, 2006.
18. Licensee acknowledges that if formal hearing proceedings were conducted and Licensee presented no exhibits, witnesses or other evidence, the Board has sufficient evidence to prove that Licensee has violated the Healing Arts Act with respect to the above allegations. Licensee further waives her right to dispute or otherwise contest the allegations contained in the above paragraphs in any further proceeding before this Board.
19. Licensee's acts, if proven, constitute unprofessional conduct as set forth in K.S.A. 65-2836.
20. Licensee violated K.S.A. 65-2836(a), in that Licensee committed a misrepresentation in applying for or securing a license. Specifically, Licensee answered "no" to application question 19 which asks if she had ever been a defendant in a malpractice claim, when in fact she has had three (3) malpractice claims paid out on her behalf and she failed to list all states where she had been licensed.
21. Licensee violated K.S.A. 65-2836, in that Licensee practiced the healing arts while not licensed to engage in the practice of the healing arts, contrary to K.S.A. 65-2803(a), 65-2867(a) and/or 65-2836(k).
22. Licensee violated K.S.A. 65-2836(b) as further defined by 65-2837(b)(12), in that Licensee practiced the healing arts while not licensed to engage in the practice of the healing arts; such conduct is likely to deceive, defraud or harm the public.

23. Pursuant to K.S.A. 65-2836 the Board has grounds to deny, revoke, suspend, limit, or censure Licensee's license and pursuant to K.S.A. 65-2863a the Board has the authority to impose administrative fines for violations of the Healing Arts Act.
24. According to K.S.A.65-2838(b), the Board has authority to enter into this Consent Order without the necessity of proceeding to a formal hearing.
25. In lieu of conducting a formal proceeding, Licensee, by signature affixed to this Consent Order, hereby voluntarily agrees to the following disciplinary action against her license to engage in the practice of medicine and surgery:

CENSURE

- a. Licensee is publicly censured for violating the Healing Arts Act.

SUSPENSION

- b. Licensee's license shall be suspended for a period of six (6) months. Such suspension will be retroactive from August 1, 2006, through and including February 1, 2007.

FINE

- c. Licensee is hereby fined \$3,000. Such fine is payable in full to the "Kansas Board of Healing Arts" on or before October 31, 2008.

26. Licensee's failure to comply with the provisions of the Consent Order may result in the Board taking further disciplinary action as the Board deems appropriate according to the Kansas Administrative Procedure Act and Kansas Healing Arts Act.

27. Nothing in this Consent Order shall be construed to deny the Board jurisdiction to investigate alleged violations of the Healing Arts Act, or to investigate complaints received under the Risk Management Law, K.S.A. 64-4921 et seq., that are known or unknown and are not covered under this Consent Order, or to initiate formal proceedings based upon known or unknown allegations of violations of the Healing Arts Act.
28. Licensee hereby releases the Board, its individual members (in their official and personal capacity), attorneys, employees and agents, hereinafter collectively referred to as "Releasees", from any and all claims, including but not limited to those alleged damages, actions, liabilities, both administrative and civil, including the Kansas Act for Judicial Review and Civil Enforcement of Agency Actions, K.S.A. 77-601 et seq. arising out of the investigation and acts leading to the execution of this Consent Order. This release shall forever discharge the Releasees of any and all claims or demands of every kind and nature that Licensee has claimed to have had at the time of this release or might have had, either known or unknown, suspected or unsuspected, and Licensee shall not commence to prosecute, cause or permit to be prosecuted, any action or proceeding of any description against the Releasees.
29. Licensee further understands and agrees that upon signature by Licensee, this document shall be deemed a public record and shall be reported to the National Practitioner Databank, Federation of State Medical Boards, and any other reporting entities authorized to receive disclosure of the Consent Order.

30. This Consent Order, when signed by both parties, constitutes the entire agreement between the parties and may only be modified or amended by a subsequent document executed in the same manner by the parties.
31. Licensee agrees that all information maintained by the Board pertaining to the nature and result of any complaint and/or investigation may be fully disclosed to and considered by the Board in conjunction with the presentation of any offer of settlement, even if Licensee is not present. Licensee further acknowledges that the Board may conduct further inquiry as it deems necessary before the complete or partial acceptance or rejection of any offer of settlement.
32. Licensee, by signature to this document, waives any objection to the participation of the Board members, including the Disciplinary Panel and General Counsel, in the consideration of this offer of settlement and agrees not to seek the disqualification or recusal of any Board member or General Counsel in any future proceedings on the basis that the Board member or General Counsel has received investigative information from any source which otherwise may not be admissible or admitted as evidence.
33. Licensee acknowledges that she has read this Consent Order and fully understands the contents.
34. Licensee acknowledges that this Consent Order has been entered into freely and voluntarily.
35. All correspondence or communication between Licensee and the Board relating to the Consent Order shall be by certified mail addressed to the Kansas State Board

of Healing Arts, Attn: Compliance Coordinator, 235 S. Topeka Blvd., Topeka, Kansas 66603-3068.

36. Licensee shall obey all federal, state and local laws and rules governing the practice of medicine and surgery in the State of Kansas that may be in place at the time of execution of the Consent Order or may become effective subsequent to the execution of this document.
37. Upon execution of this Consent Order by affixing a Board authorized signature below, the provisions of this Consent Order shall become an Order under K.S.A. 65-2838. This Consent Order shall constitute the Board's Order when filed with the office of the Executive Director for the Board and no further Order is required.
38. This Consent Order constitutes disciplinary action.
39. The Board may consider all aspects of this Consent Order in any future matter regarding Licensee.

IT IS THEREFORE ORDERED that the Consent Order and agreement of the parties contained herein is adopted by the Board as findings of fact and conclusions of law.
