JOURNAL ENTRY

NOW, on this 27th day of November, 2006, the above-entitled matter comes on before Lawrence T. Buening, Jr., Executive Director of the Kansas State Board of Healing Arts ("Board"). After reviewing the filing and being duly advised in the premises, the Executive Director makes the following determinations:

1. On October 21, 2006, the Petition filed in the above-entitled matter was scheduled for a Conference Hearing before the Board as a whole.

2. Shawn Bergman, D.C. ("Licensee") failed to attend or participate in the Conference Hearing and the Board issued a Proposed Default Order which was filed on November 3, 2006, and served on all parties on November 6, 2006.

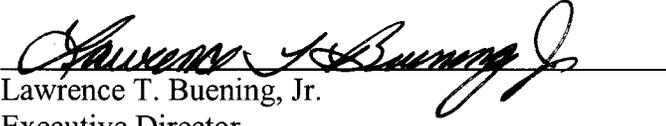

3. K.S.A. 77-520(b) provides and the Proposed Default Order contained a notice that within seven days after service, the party against whom a proposed default order is issued may file a written motion requesting that the proposed default order be vacated.

4. K.S.A. 77-520(c) provides and the Proposed Default Order contained a notice that a proposed default order shall become effective after the expiration of the time within which a party may file a written motion requesting that the proposed default order be vacated unless a written motion to vacate the order is filed within such time.

5. Licensee has not filed a written motion to vacate the Proposed Default Order and, therefore, the Proposed Default Order became effective as an order of the Board and the license of Licensee to practice chiropractic in the state of Kansas was suspended for a period of at least 90 days effective November 20, 2006.

DATED this 27th day of November 2006.
