HEALING ARTS**
Docket No 03-HA-42

JOURNAL ENTRY

NOW on this the 2nd day of December, 2003, comes on before Presiding Officer Roger Warren, M.D., the request of Licensee for approval of a replacement proctor/monitor and for a sixty-day extension of the proctoring/monitoring provisions contained in the Consent Order filed in this matter on June 9, 2003. Petitioner has no objection to the request. After reviewing the agency record, hearing the statements of the parties and otherwise being fully advised in the premises, the Presiding Officer finds that due to the unforeseen unavailability of the previously approved proctor/monitor, Joseph Chambers, M.D. is approved to serve as a replacement in that function. Furthermore, Licensee is granted an extension of sixty days to complete the proctoring/monitoring requirements.

IT IS SO ORDERED.
