STIPULATION

THIS AGREEMENT made and entered into this 13th day of Nov, 1986, by and between the KANSAS STATE BOARD OF HEALING ARTS, (hereinafter referred to as "Board") and WILLIAM ARTHUR CALDERWOOD, M.D., 13660 N. 94th Drive, Peoria, Arizona 85345, (hereinafter referred to as "Licensee").

WITNESSETH:

On or about September 29, 1986, the Board received a copy of a Stipulation and Order issued by the Arizona Board of Medical Examiners, dated March 6, 1986, which directed the monitoring of Licensee and his practice of medicine and surgery in the State of Arizona; and

WHEREAS, it appears that the Stipulation and Order issued by the Arizona Board of Medical Examiners was based on matters confidential ; and

WHEREAS, the action taken by the Arizona Board of Medical Examiners constitutes grounds for which the Board may initiate formal adjudicative proceedings to revoke, suspend or limit the license of Licensee (Kansas License #14162) to practice medicine and surgery in the State of Kansas; and

WHEREAS, the parties hereto desire to enter into this Stipulation in lieu of proceeding with any further investigations, reviews and/or formal adjudicative proceedings as defined by the statutes of the State of Kansas.

NOW, THEREFORE, in consideration of the forbearance of any further investigations, reviews and/or formal adjudicative proceedings and the other covenants and promises contained herein, the parties hereto agree as follows:

1. The Board agrees to take no formal adjudicative proceeding or other disciplinary action against the Licensee based upon the aforementioned action taken by the Arizona Board of Medical Examiners until such time as Licensee has advised the Board, as hereinafter indicated, that he desires to actively engage in the practice of medicine and surgery within the State of Kansas.

2. That Licensee agrees to give to the Board at least 90-days-notice prior to actively engaging in the practice of

medicine and surgery in the State of Kansas.

3. That Licensee waives a speedy determination of this matter and agrees that the Board may undertake such further investigation, review and institute such formal adjudicative or other disciplinary proceedings as it deems appropriate regarding Licensee's medical and surgical abilities at such time as Licensee has notified the Board that he desires to actively engage in the practice of medicine and surgery within the State of Kansas.

4. The conditions herein set forth are to be strictly construed and adhered to. Should Licensee engage in the active practice of medicine and surgery within the State of Kansas without first providing the Board with the required notice as hereinabove stated, the Board may institute formal proceedings against Licensee for the revocation, suspension or limitation of the license of Licensee to practice medicine and surgery within the State of Kansas.

5. This Stipulation shall remain in full force and effect until it is modified by written agreement by and between both parties hereto.

IN WITNESS WHEREOF, the parties hereto have executed this Stipulation on the date indicated below their signature, it being specifically and expressly understood that this Stipulation shall not become effective until such time as it has been signed by both of the parties hereto.
