## **III. Policy Statement**

The public policy of regulating the practice of healing arts in the State of Kansas is set forth in K.S.A. 65-2801:

Recognizing that the practice of the healing arts is a privilege granted by legislative authority and is not a natural right of individuals, it is deemed necessary as a matter of policy in the interests of public health, safety and welfare, to provide laws and provisions covering the granting of that privilege and its subsequent use, control and regulation to the end that the public shall be properly protected against unprofessional, improper, unauthorized and unqualified practice of the healing arts and from unprofessional conduct by persons licensed to practice under this act.

## **IV. Conclusions**

Based upon the Findings of Fact enumerated in Paragraph Nos. 1 through 11, the Applicable Law and the Policy Statement set forth above, the Board hereby concludes as follows:

- 12. The requirement to pass all three (3) USMLE steps within ten (10) years pursuant to K.A.R. 100-7-1(b)(1) is hereby waived for good cause demonstrated by Applicant.
- 13. Upon consideration of the endorsement licensure requirement set forth in K.S.A. 65-2833(d), Applicant's lack of an active practice history under his other licenses in the United States indicates that Applicant's operative and non-operative practice in Kansas should be monitored for a suitable period of time to ensure clinical competency.

**IT IS THEREFORE ORDERED, BY THE KANSAS STATE BOARD OF HEALING ARTS:**

14. Applicant's application for an active license to practice medicine and surgery in the State of Kansas is hereby **GRANTED**.

15. As a condition of granting licensure, Applicant's practice shall be subject to **NON-DISCIPLINARY MONITORING** for a period of six (6) months by Robert Bassett, M.D. The monitoring shall encompass Applicant's operative and non-operative care of patients as follows:

The reports shall discuss any findings with respect to Applicant's operative and non-operative practice, including any surgical complications and adverse events.
- b. Each monthly report shall be due on the 15<sup>th</sup> day of the subsequent month. Applicant shall be responsible for ensuring the timely submission of the monitor's reports to the Board.

16. The Board shall maintain jurisdiction over this matter to issue any future order(s) deemed necessary and appropriate.
