

5. According to K.S.A. 65-2838(c), the Board may temporarily suspend the license of any Licensee in accordance with the emergency adjudicative proceedings under KAPA if the Board determines there is cause to believe that grounds exist under K.S.A. 65-2836 for disciplinary action and that Licensee's continuation in practice would constitute an imminent danger to the public, health and safety.
6. Pursuant to K.S.A. 65-2836(b), unprofessional conduct, as further defined by K.S.A. 65-2837(b)(16), there are grounds to revoke, suspend or otherwise limit Licensee's license for committing an act of sexual abuse, misconduct or exploitation related to Licensee's professional practice.
7. Licensee's continuation in practice constitutes an imminent danger to the public health and safety. An immediate suspension is warranted until a formal hearing can be conducted. Licensee's actions demonstrate that he has and may engage in sexual acts without the other person's consent. Committing an act of sexual assault on a patient is an intentional act as opposed to an act of negligence. In addition, sexual assault is an egregious act which has serious potential harm to the public.
8. Licensee's license to practice medicine and surgery is hereby suspended on a temporary basis under the provisions of K.S.A. 65-2838(c) and K.S.A. 77-536 until otherwise ordered.
9. This is an Emergency Order under K.S.A. 77-536. It is effective upon issuance.

IT IS SO ORDERED.

DATED this 5th day of April, 2001.
