**EMERGENCY ORDER OF SUSPENSION AND**  
**EMERGENCY PROCEEDINGS**

This matter came before the Presiding Officer on a motion filed on December 31, 2019 (“Motion”) on behalf of the Disciplinary Panel of the Board (“Petitioner”) for an Ex Parte Emergency Order of Suspension and for Emergency Proceedings. Upon consideration of the agency record, including all filings and attached exhibits, the presiding officer finds, concludes and orders as follows:

1. Pursuant to K.S.A. 65-2838(c) and K.S.A. 77-536(c), that there is reasonable cause to believe that:
  - a. grounds exist for disciplinary action; and
  - b. the immediate continuation in practice by Vinson Michael DiSanto, D.O. (“Licensee”) would constitute an imminent danger to the public health and safety.
  
2. The cause to believe that grounds exist for disciplinary action and the Licensee’s immediate continuation in practice would constitute an imminent danger to the public health and safety include the following:
  - a. The facts set forth and incorporated in the Motion and the Petition filed on December 31, 2019, all such facts incorporated here by reference.
  - b. Licensee has undergone a thorough professional skills assessment at the Center for Personalized Education for Professionals (“CPEP”). The CPEP assessment identified deficiencies that, in the judgment of the presiding

officer, could immediately impact patient safety. The CPEP assessment concluded that Licensee is unable to safely practice independently without additional professional skills and/or knowledge remediation.

c. As described in the Petition, other states have emergently suspended Licensee's license based on the CPEP assessment findings.

3. The presiding officer further finds that, in addition to the facts and law referenced above, K.S.A. 65-2801, K.S.A. 65-2836, K.S.A. 65-2837, and the policy consideration of the Board's duty of public protection provide reasonable grounds in law and policy to justify the requested emergency suspension.

4. Therefore, pursuant to K.S.A. 65-2838(c) and K.S.A. 77-536(b), Licensee's license to practice medicine and surgery is immediately temporarily suspended pending further proceedings and/or further Order of the Board.

5. A notice of expedited hearing to determine whether the temporary limitation shall remain in place will be filed and served on all parties. If any party believes a different date or time should be designated for the expedited hearing, the party should notify the presiding officer immediately as described in the notice.

**IT IS, THEREFORE, ORDERED** that the license of Vinson Michael DiSanto, D.O., is hereby **IMMEDIATELY SUSPENDED** as described above on a temporary basis pending a hearing to determine if there is adequate cause for the suspension to remain in effect.

**IT IS SO ORDERED** this 3rd day of January 2020.
