Consent Order for Surrender
In the Matter of Fernando M. Egea, M.D.
License No. 04-16231

4. The Board is the sole and exclusive administrative agency in the State of Kansas authorized to regulate the practice of the healing arts, specifically the practice of medicine and surgery. K.S.A. 65-2801 *et seq.* and K.S.A. 65-2869.

5. This Consent Order and the filing of such document are in accordance with applicable law and the Board has jurisdiction to enter into the Consent Order as provided by K.S.A. 77-505 and 65-2838. Upon approval, these stipulations shall constitute the findings of the Board, and this Consent Order shall constitute the Board's Final Order.

6. The Kansas Healing Arts Act is constitutional on its face and as applied in this case. Licensee agrees that, in considering this matter, the Board is not acting beyond its jurisdiction as provided by law.

7. Licensee voluntarily and knowingly waives his right to a hearing. Licensee voluntarily and knowingly waives his right to present a defense by oral testimony and documentary evidence, to submit rebuttal evidence, and to conduct cross-examination of witnesses. Licensee voluntarily and knowingly agrees to waive all possible substantive and procedural motions and defenses that could be raised if an administrative hearing were held.

8. The terms and conditions of the Consent Order are entered into between the undersigned parties and are submitted for the purpose of allowing these terms and conditions to become an Order of the Board. This Consent Order shall not be binding on the Board until an authorized signature is affixed at the end of this document. Licensee specifically acknowledges that counsel for the Board is not authorized to sign this Consent Order on behalf of the Board.

9. The Board has received information and investigated the same, and has reason to believe there are grounds pursuant to K.S.A. 65-2836 to take disciplinary action with respect to Licensee's license under the Healing Arts Act, K.S.A. 65-2801, *et seq.*

10. On or about May 16, 2012, an Indictment was filed against Licensee in the United States District Court for the District of Kansas. The Indictment listed four (4) counts. The specific allegations stated that Licensee "knowingly and intentionally distributed and dispensed a mixture and substance containing Oxycodone, a controlled substance, other than for a legitimate medical purpose and outside the course of professional practice, in violation of Title 21, United States Code, Section 841(a)(1) on or about June 3, 2009, June 24, 2009, August 19, 2009 and October 7, 2009. The specific allegations are set forth therein and incorporated into this Consent Order by reference.

11. On or about February 8, 2013, a Criminal Information against Licensee was filed in the United States District Court for the District of Kansas. The Information listed 1 (one) count that stated Licensee "knowingly and intentionally distributed and dispensed a mixture and substance containing Oxycodone, a controlled substance, other than for a legitimate medical purpose and outside the course of professional practice . . ." The specific allegations are set forth therein and incorporated into this Consent Order by reference.

12. On or about February 8, 2013, Licensee, entered into a Plea Agreement in the United States District Court for the District of Kansas to resolve the count charged in the Information. The specific allegations are set forth therein and incorporated into this Consent Order by reference.

13. In that Plea Agreement, Licensee acknowledged that since his Kansas medical license “was used to facilitate the criminal activity or constitutes proceeds derived from the criminal activity . . .” his Kansas medical license is subject to forfeiture.

14. In the Plea Agreement, Licensee consented to a money judgment against him.

15. On or about, April 16, 2013, a Preliminary Order of Forfeiture and Imposition of Forfeiture Money Judgment was filed in the United States District Court for the District of Kansas.

16. In that Preliminary Order of Forfeiture and Imposition of Forfeiture Money Judgment the Court found Licensee’s Kansas medical license was subject to forfeiture and that Licensee consented to a forfeiture judgment against him in the amount of \$34,355.00. The specific findings are set forth therein and incorporated into this Consent Order by reference.

17. Licensee consents to a finding that Licensee’s acts, as set forth in the Plea Agreement and Preliminary Order of Forfeiture and Imposition of Forfeiture Money Judgment, constitute further violations of the Healing Arts Act as set forth in K.S.A. 65-2836.

18. Specifically, the Plea Agreement includes Licensee’s guilty plea to Title 21 United States Code, Section 841(a)(1), knowingly or intentionally distributing and dispensing a controlled substance without a legitimate medical purpose and outside the course of the licensee’s professional practice, which is a Class C felony.

19. Licensee violated K.S.A. 65-2836(a) by committing fraud or misrepresentation in securing his renewal when he did not submit a “yes” response to the question asking whether “[i]n the past 12 months have you been arrested, charged with or convicted of any felony or class A misdemeanor?”

20. Licensee violated K.S.A. 65-2836(a) by committing fraud or misrepresentation in securing his renewal when he did not submit a “yes” response to the question asking whether during the past 12 months he knew “of any investigation by or any allegations, complaints, or charges concerning you made to any licensing agency or state or government agency?”

21. Licensee violated K.S.A. 65-2836(b) by committing unprofessional, dishonorable conduct and professional incompetency when distributing and dispensing controlled substances without a legitimate medical purpose and outside the course of his professional practice.

22. Licensee violated K.S.A. 65-2836(c) when he was convicted of a felony, whether or not related to the practice of the healing arts. K.S.A. 65-2836(c) further states:

The board shall revoke a licensee's license following conviction of a felony occurring after July 1, 2000, unless a 2/3 majority of the board members present and voting determine by clear and convincing evidence that such licensee will not pose a threat to the public in such person's capacity as a licensee and that such person has been sufficiently rehabilitated to warrant the public trust. In the case of a person who has been convicted of a felony and who applies for an original license or to reinstate a canceled license, the application for a license shall be denied unless a 2/3 majority of the board members present and voting on such application determine by clear and convincing evidence that such person will not pose a threat to the public in such person's capacity as a licensee and that such person has been sufficiently rehabilitated to warrant the public trust.

23. Licensee violated K.S.A. 65-2836(f) by willfully and repeatedly violating the uniform controlled substances act when distributing and dispensing controlled substances without a legitimate medical purpose and outside the course of his professional practice.

24. Licensee violated K.S.A. 65-2836(p) by distributing and dispensing a controlled substance to a person(s) for other than medically accepted or lawful purposes.

25. Licensee violated K.S.A. 65-2836(t) by failing to report to the board any adverse action taken by a government agency, law enforcement agency or a court for acts or conduct

similar to acts or conduct which would constitute grounds for disciplinary action under this section.

26. Licensee violated K.S.A. 65-2836(b), as further defined by K.S.A. 65-2837(b)(12), by committing conduct likely to deceive, defraud or harm the public by distributing and dispensing a controlled substance to a person(s) for other than medically accepted or lawful purposes.

27. Licensee violated K.S.A. 65-2836(b), as further defined by K.S.A. 65-2837(b)(23) by distributing and dispensing a prescription drug or substance, including a controlled substance, in an improper and inappropriate manner for other than a medical purpose and not in the course of the licensee's professional practice. Pursuant to K.S.A. 65-2836, the Board may revoke Licensee's license; alternatively, Licensee may surrender his license, so long as it is treated as a revocation. Furthermore, 65-2836(c) requires the board to revoke a licensee's license following conviction of a felony occurring after July 1, 2000, unless a 2/3 majority of the board members present and voting determine by clear and convincing evidence that such licensee will not pose a threat to the public in such person's capacity as a licensee and that such person has been sufficiently rehabilitated to warrant the public trust. Licensee has put forth no evidence that he will not pose a threat to the public in such person's capacity as a licensee and that such person has been sufficiently rehabilitated to warrant the public trust.

28. According to K.S.A.65-2836(b), the Board has authority to enter into this Consent Order without the necessity of proceeding to a formal hearing.

29. Nothing in this Consent Order shall be construed to deny the Board jurisdiction to investigate alleged violations of the Healing Arts Act, or to investigate complaints received

38. This Consent Order constitutes disciplinary action.

39. The Board may consider all aspects of this Consent Order in any future matter regarding Licensee.
