In the Matter of

Kansas License No. 04-42107

Docket No. 20-HA_0001

SUMMARY ORDER

NOW ON THIS 4th day of March 2020, this matter comes before Tucker L. Poling, Interim Executive Director and General Counsel, Kansas State Board of Healing Arts ("Board"), in summary proceedings pursuant to K.S.A. 77-537.

Pursuant to K.S.A. 77-537 and K.S.A. 77-542, this Summary Order shall become effective as a Final Order, without further notice, if no written request for a hearing is made within 15 days of service. Upon review of the agency record and being duly advised in the premises, the following findings of fact, conclusions of law, and order are made for and on behalf of the Board:

Findings of Fact

1. Hamad I. Farhat, M.D. ("Licensee") was issued License No. 04-42107 to practice medicine and surgery on May 8, 2019. Licensee's license status is currently Active.

2. Licensee's last known mailing address to the Board is:

CONFIDENTIAL

3. During all times relevant to the facts set forth in this Summary Order, Licensee held an Active license to practice medicine and surgery in Kansas.

4. The factual basis for this Order is as follows:

Summary Order
Hamad I. Farhat, M.D.
a. On or April 5, 2019, Licensee applied for an Active license by and through an Application For Medical Licenses In IMLC Member States. Licensee’s application stated that “I acknowledge that I have read and understand the Interstate Medical Licensure Compact (“Compact”) and the Application, and have answered all questions contained in the Application truthfully and completely. I further acknowledge that failure on my part to answer questions truthfully and completely may lead to disciplinary action against one or more medical licenses I hold.” Licensee signed and acknowledged this statement on January 3, 2019. (Exhibit 1.)

b. In a Letter of Qualification sent to Licensee on March 25, 2019, Licensee was told, “You will be responsible for complying with all laws and regulations pertaining to holding each license and the practice of medicine in those jurisdictions.” (emphasis in original). (Exhibit 2.)

c. After he had been granted an Active license on May 5, 2019, a search of the KHCSF showed Licensee was not in compliance and had never been compliant with the KHCSF since obtaining an Active license.

d. On September 16, 2019, and October 18, 2019, the Board requested Licensee to provide proof of compliance with the Kansas Health Care Stabilization Fund (“KHCSF”), as required by K.S.A. 40-3404. The Board included instructions on how to contact KHCSF and warned that a failure to provide proof of compliance may result in a fine or suspension of Licensee’s license to practice medicine in Kansas. (Exhibit 3 and 4.)
e. On or about November 5, 2019, Licensee provided proof of professional liability insurance to the Board, but no proof of compliance with the KHCSF.

f. On or about November 8, 2019, the matter was referred to the Litigation Department.

g. On or about February 11, 2020, another search of the KHCSF showed Licensee was still not fund compliant. (Exhibit 5.)

h. Licensee has been out of compliance with the KHCSF since on or about May 8, 2019 until at least February 11, 2020, while holding an Active license to practice medicine and surgery in Kansas.

i. To date, Licensee remains non-compliant with the fund.

**Applicable Law**

5. Under the Kansas Healing Arts Act, K.S.A. 65-2809(c),

The board, prior to renewal of a license, shall require an active licensee to submit to the board evidence satisfactory to the board that licensee is maintaining a policy of professional liability insurance as required by K.S.A. 40-3402, and amendments there to, and has paid the premium surcharges as required by K.S.A. 40-3404, and amendments thereto.

6. K.S.A. 40-3402 states:

(a) A policy of professional liability insurance approved by the commissioner and issued by an insurer duly authorized to transact business in this state in which the limit of the insurer's liability is not less than $200,000 per claim, subject to not less than a $600,000 annual aggregate for all claims made during the policy period, shall be maintained in effect by each resident health care provider as a condition of active licensure or other statutory authorization to render professional service as a health care provider in this state, unless such health care provider is a self-insurer...

(b) A nonresident health care provider shall not be licensed to actively render professional service as a health care provider in this state unless such health care provider maintains continuous coverage in effect as prescribed by subsection (a), except such coverage may be provided by a non-admitted insurer who has filed the form required by subsection (b)(1). This provision shall not apply to optometrists and pharmacists on or after July 1, 1991 nor to physical therapists on and after July

---

**Summary Order**

Hamad I. Farhat, M.D.

Page 3 of 8
(1) Every insurance company authorized to transact business in this state, that is authorized to issue professional liability insurance in any jurisdiction, shall file with the commissioner, as a condition of its continued transaction of business within this state, a form prescribed by the commissioner declaring that its professional liability insurance policies, wherever issued, shall be deemed to provide at least the insurance required by this subsection when the insured is rendering professional services as a nonresident health care provider in this state. Any nonadmitted insurer may file such a form.

(2) Every nonresident health care provider who is required to maintain basic coverage pursuant to this subsection shall pay the surcharge levied by the board of governors pursuant to subsection (a) of K.S.A. 40-3404 and amendments thereto directly to the board of governors and shall furnish to the board of governors the information required in subsection (a)(1)...

7. K.S.A. 40-3404(b): In the case of a resident health care provider who is not a self-insurer, the premium surcharge shall be collected in addition to the annual premium for the basic coverage by the insurer and shall not be subject to the provisions of K.S.A. 40-252, 40-955 and 40-2801 et seq., and amendments thereto. The amount of the premium surcharge shall be shown separately on the policy or an endorsement thereto and shall be specifically identified as such. Such premium surcharge shall be due and payable by the insurer to the board of governors within 30 days after the annual premium for the basic coverage is received by the insurer. Within 15 days immediately following the effective date of this act, the board of governors shall send to each insurer information necessary for their compliance with this subsection. The certificate of authority of any insurer who fails to comply with the provisions of this subsection shall be suspended pursuant to K.S.A. 40-222, and amendments thereto, until such insurer shall pay the annual premium surcharge due and payable to the board of governors. In the case of a nonresident health care provider or a self-insurer, the premium surcharge shall be paid upon submitting documentation of compliance with K.S.A. 40-3402, and amendments thereto.

8. Under K.S.A. 65-2836, a license may be revoked, suspended or limited, or the licensee may be publicly censured or placed under probationary conditions, upon a finding of the existence of any of the following grounds:
The licensee has failed to pay the premium surcharges as required by K.S.A. 40-3404.

Conclusions of Law

9. The Board has jurisdiction over Licensee as well as the subject matter of this proceeding, and such proceeding is held in the public interest.

10. The Board finds that Licensee violated K.S.A. 65-2836(z), in that Licensee has failed to pay the premium surcharges as required by K.S.A. 40-3404.

11. Based on the facts and circumstances set forth herein, the use of summary proceedings in this matter is appropriate, in accordance with the provisions set forth in K.S.A. 77-537(a), in that the use of summary proceedings does not violate any provision of law, and the protection of the public interest does not require the Board to give notice and opportunity to participate to persons other than Licensee.

IT IS HEREBY ORDERED that Licensee is assessed a CIVIL FINE in the amount of $500.00,

and also that his license is hereby SUSPENDED until such time as he comes into compliance with the KHCSF for violations of the Kansas Healing Arts Act. Such fine shall be paid to the "Kansas State Board of Healing Arts," in full. All monetary payments, which shall be in the form of check or money order, relating to this Summary Order shall be mailed to the Board certified and addressed to:

RE: Your application for IMLC Letter of Qualification

The ILLINOIS DIVISION OF PROFESSIONAL REGULATION ("Board"), on behalf of the State of Principal Licensure ("SPL") you selected, has received and reviewed your application for a Letter of Qualification ("LOQ") for licensure through the Interstate Medical Licensure Compact ("IMLC").

Based upon the information you submitted with your application, data in the Board’s files regarding your licensure by the Board, verifications of your credentials, and the results of the check of national databases, the Board has determined that you are ELIGIBLE to be licensed through the IMLC. Therefore, this notice will serve as your LOQ for licensure in IMLC Member States through the IMLC, and will remain in effect for 365 days from date of issuance, set out above.

RE: Professional Liability Insurance & Kansas Health Care Stabilization Fund Audit; 04-42107

Dear Dr. Farhat:

Under the Kansas State Board of Healing Arts ("Board") audit process, you have been selected to provide proof of your professional liability insurance and Kansas Health Care Stabilization Fund ("KHCSF") compliance for your most recent renewal period.

In Kansas, if you have an Active license, you are required to maintain professional liability insurance of not less than $200,000 per claim, and not less than $600,000 annual aggregate for all claims made during the policy period. See K.S.A. 40-3402(a)-(b); K.S.A. 65-2809(c). Additionally, you are required to maintain compliance with the KHCSF by paying the annual surcharge. See K.S.A. 40-3402; K.S.A. 40-3404; and K.S.A. 65-2809(c).

According to the Board’s records, you most recently renewed your license for the period of August 1, 2019, through July 31, 2020. On that renewal, you agreed to maintain and produce proof of professional liability insurance and KHCSF compliance upon request. See generally K.S.A. 65-2809(c).

Please provide proof of your: (1) professional liability insurance; and (2) KHCSF compliance for the period for which you renewed your license, on or before October 16, 2019. Failure to produce this requested information may result in disciplinary action against your license, including but not limited to, a fine, a public censure, and/or SUSPENSION of your license. Submit all proof via email to KSBHA_Licensing@ks.gov.

To effectuate submission of evidence of KHCSF compliance to the Board, you must contact the KHCSF and obtain a certification that you have paid the annual premium charges. You must then submit a copy of the certification to the Board. Please keep in mind, if you are a non-resident, you must also submit a non-resident form to the KHCSF.
