24. The Board hired an expert to review the records for the fourteen (14) above-mentioned patients to determine whether Licensee's care and treatment for each patient met the appropriate standard of care and whether Licensee's documentation with each patient's charts was adequate.

#### **Applicable Law**

29. K.S.A. 65-2836 of the Kansas Healing Arts Act states in pertinent part:

A licensee's license may be revoked, suspended or limited, or the licensee may be publicly or privately censured or placed under probationary conditions..., upon a finding of the existence of any of the following grounds:

- (r) The licensee has failed to furnish the board, or its investigators or representatives, any information legally requested by the board.

#### **Conclusions of Law**

30. The Board finds that Licensee violated K.S.A. 65-2836(r) when he failed to provide the Board with all of documents legally requested in Subpoena Duces Tecum #12904, #12906, #13124, #13646, #13883, and #13886 in the manner as proscribed by the subpoenas.

31. Furthermore, the Board finds that the documents submitted on December 17, 2013, were three (3) to four (4) years after the original subpoenas were issued, and after formal disciplinary proceedings were initiated against his license in KSBHA Docket No. 14-HA00014. A failure to respond to a subpoena for three (3) to four (4) years is contrary to public protections

and efficient regulation. Such a delay does not benefit public protection or efficient regulation, and can only benefit Licensee.

32. Based on the facts and circumstances set forth herein, the use of summary proceedings in this matter is appropriate, in accordance with the provisions set forth in K.S.A. 77-537(a) in that the use of summary proceedings does not violate any provision of law and the protection of the public interest does not require the Board to give notice and opportunity to participate to person other than Licensee.

33. The action of public censure is within the scope of The Board of Healing Arts of the State of Kansas Guidelines for Imposition of Disciplinary Sanctions for the violations set forth above.

**IT IS, THEREFORE, ORDERED** that Licensee is **PUBLICLY CENSURED** for violating K.S.A. 65-2836(r) of the Kansas Healing Arts Act.

**PLEASE TAKE NOTICE** that upon becoming effective as a Final Order, this document shall be deemed a public record and be reported to any reporting entities authorized to receive such disclosure.

Dated this 5 day of May, 2014.
