**Case No. 02-HA-18**

**PROPOSED DEFAULT ORDER**

NOW ON THIS Eighth Day of December, 2001, comes before the Board a Petition to Revoke, Suspend or Otherwise Limit the License of Respondent Howard E. Hagglund, M.D. Kelli J. Benintendi, Associate Counsel, appears for Petitioner. Respondent does not appear either in person or through counsel.

The Board finds Respondent in default for his failure to attend and participate in the hearing. The allegations of fact as stated in the Petition to Revoke, Suspend or Otherwise Limit License appear as undisputed. Having the agency record before it, the Board finds, concludes and orders as follows:

1. Respondent is licensed to practice medicine and surgery in the State of Kansas, the State of Iowa, and the State of Oklahoma.

2. Respondent was reprimanded by the Oklahoma Board of Medical Licensure and Supervision for improperly supervising allied health professionals. Specifically, he allegedly signed blank prescription forms and left them with a physician assistant while out of town. Respondent reported the Oklahoma action to the Board when completing his 1999-2000 license renewal application form.

3. Respondent entered into a settlement agreement with the Iowa Board of Medical Examiners on September 21, 2000. Under that agreement, Respondent was cited and warned for

having been disciplined by the State of Oklahoma.

4. Respondent failed to disclose the Iowa action when completing his 2001-2002 renewal application form. In response to a question on that form asking whether any action had been taken by another state licensing agency since May 1, 2000, Respondent answered "no". The renewal form indicates that Respondent completed and signed the form on May 14, 2001.

5. The Board concludes that under K.S.A. 2001 Supp. 65-2836(j), a license may be revoked, suspended or limited, or a licensee may be censured or fined, upon a finding that the licensee has had disciplinary sanctions imposed by another licensing agency for conduct that would constitute grounds for discipline under the Kansas healing arts act.

6. The Board further concludes that under K.S.A. 2001 Supp. 65-2836(a), a license may be revoked, suspended or limited, or a licensee may be censured or fined, upon a finding that the licensee has committed misrepresentation in applying for a renewal license.

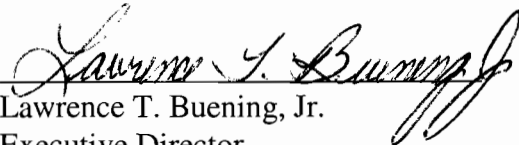

**IT IS, THEREFORE, ORDERED** that Howard E. Hagglund, M.D. is hereby censured.

**IT IS FURTHER ORDERED** that Howard E. Hagglund, M.D. is hereby administratively fined \$500, as authorized by K.S.A. 65-2863a. This fine shall be payed to Board within 30 days following service of this order.

**PLEASE TAKE NOTICE** that this is a proposed default order. A party against whom a proposed default or is issued may file a motion to vacate the order. A motion to vacate the proposed default order must be filed with the Executive Director, 235 S. Topeka Blvd., Topeka, KS 66603. Any such motion is not timely unless filed within 7 days following service of the proposed default order. If no timely motion to vacate the proposed default order is received, the proposed order becomes the Board's Final Order without further proceedings or notice.

DATED THIS 3<sup>d</sup> Day of January, 2002.

Kansas State Board of Healing Arts
