The Parties stipulate and agree to the following:

1. Applicant’s last known mailing address to the Board is: P.O. Box 3550, Edinburg, Texas 78540-3550.
2. On or about March 13, 2013, Applicant submitted to the Board an application for licensure in medicine and surgery. Such application was deemed complete and filed with the Board on August 26, 2013.
3. The Board is the sole and exclusive administrative agency in the State of Kansas authorized to regulate the practice of the healing arts, specifically the practice of medicine and surgery. K.S.A. 65-2801 *et seq.* and K.S.A. 65-2869.
4. This Consent Order and the filing of such document are in accordance with applicable law and the Board has jurisdiction to enter into the Consent Order as provided by K.S.A. 77-505 and 65-2838. Upon approval, these stipulations shall

constitute the findings of the Board, and this Consent Order shall constitute the Board's Final Order.

5. The Kansas Healing Arts Act is constitutional on its face and as applied in the case. Applicant agrees that, in considering this matter, the Board is not acting beyond its jurisdiction as provided by law.
6. Applicant voluntarily and knowingly waives his right to a hearing. Applicant voluntarily and knowingly waives his right to present a defense by oral testimony and documentary evidence, to submit rebuttal evidence, and to conduct cross-examination of witnesses. Applicant voluntarily and knowingly agrees to waive all possible substantive and procedural motions and defenses that could be raised if an administrative hearing were held.
7. The terms and conditions of the Consent Order are entered into between the undersigned parties and are submitted for the purpose of allowing these terms and conditions to become an Order of the Board. This Consent Order shall not be binding on the Board until an authorized signature is affixed at the end of this document. Applicant specifically acknowledges that counsel for the Board is not authorized to sign this Consent Order on behalf of the Board.
8. The Board has received information and investigated the same, and has reason to believe that there may be grounds pursuant to K.S.A. 65-2936 to take action with respect to Applicant's license under the Kansas Healing Arts Act, K.S.A. 65-2801, *et seq.*
9. In his application for licensure, Applicant answered "yes" to disciplinary questions 1, 4, 7, 8, 9, 10, 18, 19, and 23.

10. Applicant provided the following explanations:

- a. For question 1, Applicant stated that he was placed on academic probation during his junior year at Brown University in 1979, but that the probation was lifted the following semester.

- c. For question 7, Applicant stated that, in January 2010, he “permanently surrendered” his Texas medical license “due to writing refills in 2008 for three Telemedicine patients in Florida – a state where [he] was not licensed. This was an error in judgment for both writing the refills and for surrendering [his] license.” Applicant stated that a P.A. licensed in Florida had consulted with the patients via telephone and then Applicant reviewed the patients’ records. He stated he directly communicated with the P.A. prior to approving the refills. He stated that he now realizes that, since he was not licensed in Florida, he should not have done that. He also stated that he surrendered his license because he thought he was ready to retire and because he thought he had no other choice. He also stated that he takes full responsibility for his actions and that he regrets his poor judgment in this case. He further stated that, on March 7, 2013, he obtained an active, unrestricted license to practice in Oklahoma.

- d. For question 8, Applicant stated that he had been fined \$ 500 in April 2004 by the Texas Board because he had utilized the services of an x-ray technician who had allowed his certification to expire, and Applicant was not approved to supervise non-certified x-ray technicians.
- e. For questions 9, 10, and 19, Applicant stated that his answer to question 7 also applied to these questions.
- f. For question 18, Applicant stated that he did not surrender any other licenses or permits, but because he surrendered his Texas medical license, his “other permits and licenses were automatically cancelled after [he] surrendered [his] Texas medical license.”
- g. For question 23, Applicant disclosed being named in a malpractice suit for prescribing the weight loss medication Redux. He stated that he prescribed the medication to only one patient for three or four months and that the patient eventually left the clinic. He stated that, in 1999, he learned that he had been sued. He stated that the case was closed in December 2000 with no money paid on his behalf.
