The Parties stipulate and agree to the following:

1. Applicant’s last known mailing address to the Board is: [REDACTED]
Bonner Springs, Kansas 66012.
2. On or about May 19, 2016, Applicant submitted to the Board an application for licensure to practice as a radiologic technologist. Such application was deemed complete and filed with the Board on December 20, 2016.
3. The Board is the sole and exclusive administrative agency in the State of Kansas authorized to regulate the practice of radiologic technology. K.S.A. 65-7301 *et seq.*

Consent Order
Cassady Holloway, L.R.T.

5. The Kansas Radiologic Technologists Practice Act is constitutional on its face and as applied in the case. Applicant agrees that, in considering this matter, the Board is not acting beyond its jurisdiction as provided by law.

6. Applicant voluntarily and knowingly waives her right to a hearing. Applicant voluntarily and knowingly waives her right to present a defense by oral testimony and documentary evidence, to submit rebuttal evidence, and to conduct cross-examination of witnesses. Applicant voluntarily and knowingly agrees to waive all substantive and procedural motions and defenses that could be raised if an administrative hearing were held.

7. The terms and conditions of the Consent Order are entered into between the undersigned parties and are submitted for the purpose of allowing these terms and conditions to become an Order of the Board. This Consent Order shall not be binding on the Board until an authorized signature is affixed at the end of this document. Applicant specifically acknowledges that counsel for the Board is not authorized to sign this Consent Order on behalf of the Board.

8. The Board has received information and investigated the same, and has reason to believe that there may be grounds pursuant to K.S.A. 65-7313(a)(3) and K.S.A. 65-7313(a)(8), as defined by K.A.R. 100-73-6(h), to take action with respect to Applicant's license under the Kansas Radiologic Technologists Practice Act, K.S.A. 65-7301, *et seq.*

9. On or about September 27, 2015, Applicant was arrested for Driving Under the Influence ("DUI") in Ellis County, Kansas. The police report stated that Applicant was driving erratically, and when an officer approached the vehicle, Applicant was passed out in the driver's seat. The vehicle was still running but was in park. An officer knocked on

the window and Applicant awoke and grabbed the shifter as though she was going to drive off. Applicant's BAC was 0.173.

10. Applicant reported to the Board that the day of the incident she had been tailgating for a football game in Hays, Kansas, was intoxicated, and for unknown reasons decided to drive her vehicle. Applicant stated that since this DUI, she has changed her drinking habits.

The Board acknowledges that at any such hearing, Applicant retains the right to confront and examine all witnesses, present evidence, testify on his own behalf, contest the allegations, present oral argument, appeal to the courts, and all other rights set forth in the Kansas Administrative Procedures Act, K.S.A. 77-501 *et seq.*, and the Kansas Radiologic Technologists Practice Act, K.S.A. 65-7301 *et seq.*

28. Nothing in this Consent Order shall be construed to deny the Board jurisdiction to investigate alleged violations of the Kansas Radiologic Technologists Practice Act or to investigate complaints received under the Risk Management Law, K.S.A. 65-4921 *et seq.*, that are known or unknown and are not covered under this Consent Order, or to initiate formal proceedings based upon known or unknown allegations of violations of the Kansas Radiologic Technologists Practice Act.

29. Applicant hereby releases the Board, its individual members (in their official and personal capacity), attorneys, employees and agents, hereinafter collectively referred to as "Releasees", from any and all claims, including but not limited to those alleged damages,

actions, liabilities, both administrative and civil, including the Kansas Judicial Review Act, K.S.A. 77-601 *et seq.* arising out of the investigation and acts leading to the execution of this Consent Order. This release shall forever discharge the Releasees of any and all claims or demands of every kind and nature that Applicant has claimed to have had at the time of this release or might have had, either known or unknown, suspected or unsuspected, and Applicant shall not commence to prosecute, cause or permit to be prosecuted, any action or proceeding of any description against the Releasees.

30. Applicant further understands and agrees that upon signature by Applicant, this document shall be deemed a public record and shall be reported to any entities authorized to receive disclosure of the Consent Order.

31. This Consent Order, when signed by both parties, constitutes the entire agreement between the parties and may only be modified or amended by a subsequent document executed in the same manner by the parties.

32. Applicant agrees that all information maintained by the Board pertaining to the nature and result of any complaint and/or investigation may be fully disclosed to and considered by the Board in conjunction with the presentation of any offer of settlement, even if Applicant is not present. Applicant further acknowledges that the Board may conduct further inquiry as it deems necessary before the complete or partial acceptance or rejection of any offer of settlement.

33. Applicant, by signature to this document, waives any objection to the participation of the Board members, including the Disciplinary Panel and General Counsel, in the consideration of this offer of settlement and agrees not to seek the disqualification or recusal of any Board member or General Counsel in any future proceedings on the basis

that the Board member or General Counsel has received investigative information from any source which otherwise may not be admissible or admitted as evidence.

34. Applicant acknowledges that she has read this Consent Order and fully understands the contents.

35. Applicant acknowledges that this Consent Order has been entered into freely and voluntarily.

36. Applicant shall obey all federal, state and local laws and rules governing the practice of radiologic technology in the State of Kansas that may be in place at the time of execution of the Consent Order or may become effective subsequent to the execution of this document.

Applicant further understands that the Temporary License is only effective until a hearing is held by the

Board on ratification of this Consent Order and that if the Board fails to ratify this Consent Order, the Temporary License shall immediately expire at the conclusion such hearing.
