Case # 95-00264 )

STIPULATION AND AGREEMENT  
AND ENFORCEMENT ORDER

COMES NOW, the Kansas State Board of Healing Arts ("Board") by and through Kevin K. LaChance, Disciplinary Counsel ("Petitioner"), and Paul M. James, Jr., M.D. ("Licensee"), and stipulate and agree as follows:

1. The Board is the sole and exclusive administrative agency in the State of Kansas authorized to regulate the practice of the healing arts, specifically the practice of medicine and surgery. K.S.A. 65-2801 et seq; K.S.A. 65-2869. Licensee admits that this Stipulation and Agreement and Enforcement Order ("Stipulation") and the filing of such document are in accordance with the requirements of law; that the Board has jurisdiction to consider the Stipulation and is lawfully constituted to consider this matter to include consideration of this Stipulation. Licensee further notes that the Kansas Healing Arts Act is constitutional on its face and as applied in this case. Licensee further acknowledges that the Board, acting in this matter, is not acting beyond the jurisdiction referred to it by any provision of law.

2. Licensee is or has been entitled to engage in the practice of medicine and surgery in the State of Kansas, having been issued license number 04-24692 on August 7, 1993. At all times relevant to the allegations set forth below, Licensee has held a current license to engage in the practice of medicine and surgery in the state of Kansas, having last renewed his license on May 29, 1996.

3. The Board has received information, has investigated such information, and has reasonable cause to believe that Licensee has committed certain acts in violation of the Healing Arts Act. K.S.A. 65-2801 et seq; K.S.A. 65-2836. Specifically, it is alleged that Licensee violated K.S.A. 65-2836(b), professional incompetency, as further defined by K.S.A. 65-2837(a)(1), (2), and/or (3). Further, it is alleged that Licensee has violated the disciplinary provisions of K.S.A. 65-2836(i), in that Licensee has the inability to practice medicine and surgery with reasonable skill and safety patients **Confidential**

**Confidential**

The Board states it would present substantial evidence in an administrative hearing in support of its allegations. Licensee neither confirms nor denies the allegations.

4. Such acts or conduct as set forth above could constitute grounds for disciplinary action by the Board pursuant to the cited provisions of the Healing Arts Act. Under the provisions of K.S.A. 65-2838(a), the Board has jurisdiction to impose appropriate discipline if a licensee to the Board has engaged in any commissions or omissions to bring licensee within the purview of K.S.A. 65-2836. Under the provisions of K.S.A. 65-2838(b), the Board has authority to enter into this Stipulation without the necessity of proceeding to a formal hearing. Licensee voluntarily and affirmatively waives his right to a hearing pertaining to any matter under the jurisdiction of the Board regarding his license to engage in the practice of medicine and surgery. Licensee voluntarily and knowingly waives his right to present a defense by oral testimony and documentary evidence, to submit rebuttal evidence, to conduct such cross-examination of witnesses as may be desired and to waive any and all substantive and procedural motions and defenses that could be raised if an administrative hearing would be held.

The terms and conditions of the Stipulation are entered into between the undersigned parties and are submitted for the purpose of allowing these

terms and conditions to become an Order of the Board. This Stipulation shall not be binding on the Board until an authorized signature is affixed at the end of this document. Upon signature by Licensee to this document, it shall be deemed a unilateral contract and agreement and shall bind Licensee to the terms and conditions set forth in the Stipulation whether or not the Board's signature is affixed to the document. Licensee specifically acknowledges that counsel for the Board is not authorized to sign for nor bind the Board.

5. In consideration of the conditions, terms, covenants, and promises contained herein, the parties agree as follows:

8. Licensee has an affirmative duty to notify the Board of changes in his personal professional status which would inhibit compliance with the above conditions in this Stipulation.

9. Upon execution of this Stipulation by the affixing of a Board authorized signature below, the provisions of this Stipulation shall become an Order of the Board and shall be deemed a proper and lawful Enforcement Order under K.S.A. 65-2838.
