5. The Kansas Radiologic Technologists Practice Act is constitutional on its face and as applied in the case. Applicant agrees that, in considering this matter, the Board is not acting beyond its jurisdiction as provided by law.
6. Applicant voluntarily and knowingly waives her right to a hearing. Applicant voluntarily and knowingly waives her right to present a defense by oral testimony and documentary evidence, to submit rebuttal evidence, and to conduct cross-examination of witnesses. Applicant voluntarily and knowingly agrees to waive all possible substantive and procedural motions and defenses that could be raised if an administrative hearing were held.
7. The terms and conditions of the Consent Order are entered into between the undersigned parties and are submitted for the purpose of allowing these terms and conditions to become an Order of the Board. This Consent Order shall not be binding on the Board until an authorized signature is affixed at the end of this document. Applicant specifically acknowledges that counsel for the Board is not authorized to sign this Consent Order on behalf of the Board.
8. The Board has received information and investigated the same, and has reason to believe that there may be grounds pursuant to K.S.A. 65-7313 to take action with respect to Applicant's license under the Kansas Radiologic Technologists Practice Act, K.S.A. 65-7301, *et seq.*
9. In her application for licensure, Applicant answered "yes" to disciplinary questions 12(h), 12(t) and 12(u).
