**(Pursuant to K.S.A. 77-501 et seq. )**

Pursuant to the authority granted to the Kansas State Board of Healing Arts (“Board”) by K.S.A. 65-2801 et seq. and in accordance with the provisions of the Kansas Administrative Procedure Act K.S.A. 77-501 et seq., the Board hereby enters this Final Order in the above-captioned matter. Members of the Board serving on the Disciplinary Panel for this matter were recused from participation.

**I. Findings of Fact**

The Board has been shown the following facts:

1. Jody Krukowski (“Applicant”) (confidential) Overland Park, KS 66201, submitted an Application for Naturopathic Doctor (“Application”) in the State of Kansas on March 16, 2010.
2. Applicant stated in the Application and supporting documentation that she is licensed to practice naturopathic medicine in the State of Arizona.
3. On June 18, 2010, Applicant appeared before the Board to request licensure by endorsement or waiver of the education and examination requirements set forth in the K.S.A. 65-7204 and K.S.A. 65-7205.
4. On June 18, 2010, the Board tabled Applicant’s Application until such time as the Applicant successfully completed the NPLEX.

5. On June 24, 2010, Applicant filed a petition for reconsideration with the Board. Applicant requested the Board reconsider the request for licensure by endorsement and waive the five hundred (500) acupuncture hours for the Kansas Naturopathic Acupuncture Certificate.
6. As of August 20, 2010, Applicant had not successfully completed the NPLEX.

## **II. Applicable Law**

K.S.A. 65-2801 states:

“Recognizing that the practice of the healing arts is a privilege granted by legislative authority and is not a natural right of individuals, it is deemed necessary as a matter of policy in the interests of public health, safety and welfare, to provide laws and provisions covering the granting of that privilege and its subsequent use, control and regulation to the end that the public shall be properly protected against unprofessional, improper, unauthorized and unqualified practice of the healing arts and from unprofessional conduct by persons licensed to practice under this act.”

K.S.A. 65-7204 states, in pertinent part:

- (a) “An applicant applying for registration as a naturopathic doctor shall file a written application..., showing to the satisfaction of the board that the applicant meets the following requirements:
  - (1) Education: The applicant shall present evidence satisfactory to the board of having successfully completed an educational program in naturopathy from an approved naturopathic medical college.
  - (2) Examination: The applicant shall pass an examination as provided for in K.S.A. 65-7205 and amendments thereto.”

K.S.A. 65-7205 states, in pertinent part:

- (a) “Each applicant for registration under this act shall be examined by a written examination or examinations chosen by the board to test the applicant’s knowledge of the basic and clinical sciences relating to naturopathy, and naturopathy theory and practice, including the applicant’s professional skills and judgment in the utilization of naturopathic techniques and methods, and such other subjects as the board may deem useful to determine the applicant’s fitness to practice naturopathy...”

K.S.A. 65-7206 states, in pertinent part:

- (a) “The board may waive the examination or education requirements, or both, and grant registration
  - (1) to any applicant who presents proof of current authorization to practice naturopathy in another state, the District of Columbia or territory of the United States which requires standards for authorization to practice determined by the board to be equivalent to the requirements for registration under this act...”

### **III. Public Policy Statement**

The public policy of regulating the practice of healing arts in the State of Kansas is set forth in K.S.A. 65-2801:

Recognizing that the practice of the healing arts is a privilege granted by legislative authority and is not a natural right of individuals, it is deemed necessary as a matter of policy in the interests of public health, safety and welfare, to provide laws and provisions covering the granting of that privilege and its subsequent use, control and regulation to the end that the public shall be properly protected against unprofessional, improper, unauthorized and unqualified practice of the healing arts and from unprofessional conduct by persons licensed to practice under this act.

### **IV. Conclusions of Law**

Based upon the Findings of Fact enumerated in Paragraphs #1 through #6, the Applicable Law and the Public Policy Statement set forth above:

#### **THE BOARD HEREBY CONCLUDES AS FOLLOWS:**

- 7. Applicant has not passed the NPLEX as required by K.S.A. 65-7204 and K.S.A. 65-7205.
- 8. Given the Applicant’s intention to both practice and teach naturopathic medicine at the University of Kansas Medical Center, passage of the NPLEX remains necessary for licensure in the State of Kansas.
