Docket No. 72-HAO0031

SUMMARY ORDER

Now on this 23rd day of March 2022, this matter comes before Susan Gile, Acting Executive Director, Kansas State Board of Healing Arts ("KS Board"), in summary proceedings pursuant to K.S.A. 77-537.

Pursuant to K.S.A 77-537 and K.S.A. 77-542, this Summary Order shall become effective as a Final Order, without further notice, if no written request for a hearing is made within 15 days of service. Upon review of the agency record and being duly advised in the premises, the following findings of fact, conclusions of law, and order are made for and on behalf of the KS Board:

Findings of Fact

1. Virgil W. McMillion, D.O. ("Licensee") was first issued an Active Kansas license to practice osteopathic medicine through the Interstate Medical Licensure Compact ("IMLC"), License No. 05-44973, on or about August 1, 2021. Board Exhibit 1.

2. Licensee's last mailing address known to the Board is: CONFIDENTIAL Licensee's last email address known to the Board is: CONFIDENTIAL

3. The factual basis for this order is as follows:

Summary Order
Virgil W. McMillion, D.O.
a. Licensee holds a West Virginia Board of Osteopathic Medicine ("WV Board") license to practice osteopathic medicine and surgery (License No. 2059). Board Exhibit 2.

b. On or about June 4, 2021, The WV Board issued Licensee a renewed IMLC Letter of Qualification ("LOQ"). Id. at p. 2 and Board Exhibit 3.

c. On or about August 1, 2021, the KS Board issued Licensee an Active license to practice osteopathic medicine in Kansas through the IMLC based on the renewed WV LOQ. Board Exhibit 1.

d. On or about October 11, 2021, Licensee filed an application for change of designation/type with the KS Board to change his license type from Active to Inactive. Board Exhibit 4.

e. On or about February 5, 2022, the WV Board and Licensee entered into a Consent Order that ordered that Licensee’s June 4, 2021, renewal LOQ null and void. Board Exhibit 2.

f. The WV Consent Order voided the renewal LOQ because: (1) Licensee failed to disclose on his LOQ renewal
application that he was subject to a December 22, 2020, Weston, WV criminal investigation search warrant; and (2) Licensee was indicted on a criminal charge on or about July 12, 2021. Id.

g. The WV Consent Order states that Licensee admits a violation of the WV standards of professional conduct.  Id.

h. The WV Consent Order issued a public reprimand against Licensee and fined Licensee $1,000.00 for violating the WV Board’s rules. Id.

**Applicable Law**

4. The Kansas IMLC at K.S.A. 65-28,133 – Section 2(k) defines “physician” as a person who, in pertinent part:

   (7) has never held a license authorizing the practice of medicine subjected to discipline by a licensing agency in any state, federal or foreign jurisdiction, excluding any action related to non-payment of fees related to a license.

   (9) is not under active investigation by a licensing agency or law enforcement authority in any state, federal or foreign jurisdiction.

5. The IMLC at K.S.A. 65-28,133 – Section 5 states that:

   (b) Upon receipt of an application for an expedited license, the member board within the state selected as the state of principal license shall evaluate whether the physician is eligible for expedited licensure and issue a letter of qualification, verifying or denying the physician's eligibility, to the interstate commission.

---

**Summary Order**

Virgil W. McMillion, D.O.
Conclusions of Law

6. The Board has jurisdiction over Licensee as well as the subject matter of this proceeding, and such proceeding is held in the public interest.

7. The Board finds that the WV Board determined the Licensee is not eligible for expedited licensure through the IMLC and that the WV Board voided and nulled its June 4, 2021, IMLC Letter of Qualification.

8. K.S.A. 65-28,133 – Section 5(b) requires an applicant for expedited licensure through the IMLC to have a LOQ from the Licensee’s state of principal license. The Board finds that the Licensee does not have a LOQ from the WV Board. See Board Ex. 2.

9. The Board finds that without a WV LOQ, the Licensee was not eligible for a Kansas license through the IMLC.

10. The Board finds that the Licensee’s Inactive license to practice osteopathy is administratively canceled.

11. Based on the facts and circumstances set forth herein, the use of summary proceedings in this matter is appropriate, in accordance with the provisions set forth in K.S.A 77-537(a), in that the use of summary proceedings does not violate any provision of law, and the protection of the public interest does not require the Board to give notice and opportunity to participate to persons other than Licensee.

IT IS HEREBY ORDERED that Licensee’s Kansas Inactive license to practice osteopathy is administratively CANCELED.

WEST VIRGINIA BOARD OF OSTEOPATHIC MEDICINE,
Complainant,

v.                                                      Complaint No. 2021-26

VIRGIL WAID McMILLION, D.O.,
Respondent.

CONSENT ORDER

The West Virginia Board of Osteopathic Medicine ("Board") and Virgil Waid McMillion,
D.O. ("Dr. McMillion"), agree to entry of the following Consent Order pursuant to W. Va. Code §
30-14-1 et seq., W. Va. Code § 30-1-1 et seq., and the rules of the Board.

FINDINGS OF FACT

The Board and Dr. McMillion stipulate to the truthfulness and accuracy of the following
facts:

1. Dr. McMillion is a licensee of the Board, possessing Board-issued license number
2059 to practice osteopathic medicine and surgery in the state of West Virginia.

2. To be eligible for a Letter of Qualification ("LOQ") for expedited licensure through
the Interstate Medical Licensure Compact ("IMLC"), an applicant cannot be under active
investigation by a licensing agency or law enforcement authority in any state, federal, or foreign
jurisdiction.

3. On February 26, 2020, the Board issued Dr. McMillion an initial Letter of
Qualification ("LOQ") finding that he was eligible for expedited licensure through the IMLC.

4. On December 22, 2020, the Weston Police Department of Weston, West Virginia,
served a search warrant on Dr. McMillion in relation to a criminal investigation.
5. On March 5, 2021, Dr. McMillion submitted an application to renew his LOQ and answered "No" to the following question: "Are you under investigation by a licensing agency or law enforcement authority in any state, federal or foreign jurisdiction?"

6. The Board issued Dr. McMillion's renewed LOQ on June 4, 2021.

7. The Board first learned of the criminal investigation following Dr. McMillion's indictment on July 12, 2021.

8. Prior to the July 12, 2021 indictment, Dr. McMillion's only contact with law enforcement was when the search warrant was served on December 22, 2020.

9. Although Dr. McMillion did not have any contact with law enforcement before or after service of the subpoena on December 22, 2020, he expresses contrition and concedes that he should have disclosed this encounter on his LOQ renewal application. Dr. McMillion denies that this omission was a willful attempt to defraud the Board or the IMLCC.

10. Furthermore, while Dr. McMillion denies personal knowledge that the law enforcement investigation was ongoing when he submitted his March 5, 2021 LOQ renewal application, Dr. McMillion admits that the July 12, 2021 indictment sufficiently implies that the investigation was active at that time and, therefore, he was ineligible for the LOQ issued by the Board.

11. The Board and Dr. McMillion voluntarily enter into this Consent Order to resolve Complaint No. 2021-26.

CONCLUSIONS OF LAW

1. The West Virginia Board of Osteopathic Medicine is a board of examination and registration created for the purpose of regulating the practice of osteopathic medicine and surgery in the state of West Virginia. W. Va. Code § 30-14-1 et seq.
2. The Board is a member of the Interstate Medical Licensure Compact pursuant to the authorizing statute set forth in W. Va. Code § 30-1C-1 et seq.

3. To be eligible for a Letter of Qualification for expedited licensure through the Interstate Medical Licensure Compact, an applicant cannot be under active investigation by a licensing agency or law enforcement authority in any state, federal, or foreign jurisdiction. IMLCC Rule on Expedited Licensure, Chapter 5, Section 5.4(l).

4. The Board is authorized to impose sanctions when a licensee has engaged in unprofessional conduct. W. Va. Code R. § 24-1-18.

5. The Board is authorized to enter into consent decrees and probation orders where such instruments may afford reasonable supervision and oversight of any person subject to the licensing requirements of the Board, for the benefit of the practice of osteopathic medicine and protection of the public interest. W. Va. Code § 30-1-8(g).

ACKNOWLEDGMENT OF RIGHTS

I, Virgil Wald McMillion, D.O., having read this document and by signing my name to it, understand and acknowledge the following:

1. This is a legally binding document that affects my rights and privileges.

2. I have the right to consult a lawyer concerning the terms of this agreement and the legal rights and remedies that may otherwise be available to me, and I have exercised that right in this case.

3. I understand that I have a right to a hearing regarding any charges against me or any action taken against my license. The West Virginia Board of Osteopathic Medicine may not suspend, revoke or take any other disciplinary action regarding my license unless one of three conditions occur: 1) I give my consent to entry of an order restricting, suspending or revoking my license, or 2) the Board conducts a hearing before imposing any restriction, suspension or
revocation, or 3) the Board finds that my continuation in practice constitutes an immediate danger to the public.

4. I understand that, instead of accepting this agreement, I may demand that the Board prove the charges against me by presenting evidence in a hearing conducted under law. If I chose to have a hearing, I would not have the burden of proof. I could, however, present evidence on my own behalf and I would have the right to cross-examine any witnesses who might testify against me. I also understand that I have the right to subpoena witnesses and records in order to compel their production at the hearing.

5. I acknowledge that this agreement is also a legally-binding Order. If I accept this agreement, I admit to violation of standards of professional conduct. I also acknowledge and admit that, if I violate any terms and conditions of this Order, my violations may constitute an immediate danger to the public and that, for such reasons, the Board may suspend or revoke my license without a prior hearing.

6. I understand that this is a public document and that the Board is legally obligated to allow any person to review this Consent Order. I also understand that this action and Order may be reported to other boards, to other jurisdictions, to the National Practitioner Data Bank, and to the Federation of State Medical Boards.

7. I understand that, as a result of this Consent Order, other licensing boards and authorities may take adverse action against my licenses, including revocation.
TERMS OF ORDER

1. The Letter of Qualification issued to Virgil Wald McMillion, D.O., by the West Virginia Board of Osteopathic Medicine on June 4, 2021 is hereby NULL and VOID, due to Dr. McMillion’s ineligibility as set forth herein.

2. The West Virginia Board of Osteopathic Medicine REPRIMANDS and FINES Virgil Wald McMillion, D.O., $1,000.00 for violating the Board’s rules. Dr. McMillion shall pay the fine within 60 days of entry of this Consent Order.

ACKNOWLEDGMENT OF LICENSEE:
