AMENDED FINAL ORDER

NOW this February 19, 2010 the above captioned matter comes before the Kansas State Board of Healing Arts (“Board”) on the Motion of the respondent to Lift Probation. The petitioner appears by and through Stacy Bond, Associate Litigation Counsel. The respondent appears by and through Karen M. Virgillito. There are no other appearances. The Board, after hearing the statements of counsel, having reviewed the file and being duly apprised of the Premises finds and concludes as follows:

1. The members of the disciplinary panel, consisting of Drs. Counselman, Leinwetter and Templeton, recuse themselves from proceedings in this matter.
2. On October 1, 2009 the respondent was placed by the Board on probation for one year.
3. The Board ordered the respondent to provide quarterly reports to the Board verifying whether she has created and maintained medical records as required.
4. The respondent was required to complete within six months a course in medical record keeping which was preapproved by the Board.
5. The respondent is responsible for all costs associated with the terms of this probation.

## FINDINGS OF FACT

1. The respondent completed a preapproved medical record keeping course on January 18, 2010.

2. The respondent has been prohibited from work by her employer because she has been disqualified from seeing patients who are insured by the TriCare network because of the term “probation” in the Board’s Order.

3. The respondent has not submitted quarterly reports to the Board because of her inability to work.

## CONCLUSIONS OF LAW

1. The respondent’s probation is lifted.

2. The respondent shall abide by the remaining terms of the Final Order dated October 1, 2009.

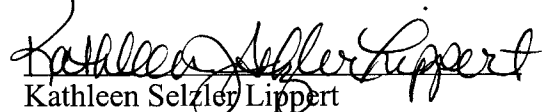

For good cause shown, the respondent’s Motion to Lift Probation is hereby GRANTED. The respondent shall follow the remaining terms of the Final Order dated October 1, 1009.
