Kansas License No. 04-39744

Docket No. 21-HA

SUMMARY ORDER

NOW ON THIS 14th day of June, 2021, this matter comes before Tucker L. Poling, Executive Director, Kansas State Board of Healing Arts (“Board”), in summary proceedings pursuant to K.S.A. 77-537.

Pursuant to K.S.A 77-537 and K.S.A. 77-542, this Summary Order shall become effective as a Final Order, without further notice, if no written request for a hearing is made within 15 days of service. Upon review of the agency record and being duly advised in the premises, the following findings of fact, conclusions of law, and order are made for and on behalf of the Board:

Findings of Fact

1. Anjum G. Qureshi, M.D. (“Licensee”) was first issued an Active License No. 04-39744 to practice medicine and surgery on or about March 2, 2017. Licensee last renewed her license as Active on or about May 22, 2021.

2. Licensee’s last mailing address known to the Board is: CONFIDENTIAL

CONFIDENTIAL

Licensee’s last email address known to the Board is CONFIDENTIAL

3. During all times relevant to the facts set forth in this Summary Order, Licensee held an Active license to practice medicine and surgery in Kansas.

Summary Order
Anjum G. Qureshi, M.D.
4. The factual basis for this Order is as follows:

   a. On or about May 22, 2021, Licensee renewed her license online as Active. Licensee’s renewal application stated that “As a condition of providing professional services in Kansas, whether or not physically located in Kansas, each person with an active license must pay the annual surcharge to the Kansas Health Care Stabilization Fund (KHCSF).” (emphasis in original). Licensee was asked “Have you paid the annual surcharge to the KHCSF?” to which she answered “Yes.” (Bd. Ex. 1).

   b. After Licensee renewed his license, a search of the KHCSF showed Licensee had not been in compliance with KHCSF requirements during the following periods:

      i. March 2, 2018 through July 31, 2019; and

      ii. August 2, 2020 through present. (Bd. Ex. 2)

   c. Despite holding an Active license, Licensee remains out of compliance with KHCSF statutory requirements.

**Applicable Law**

5. Under the Kansas Healing Arts Act, K.S.A. 65-2809(c),

   The board, prior to renewal of a license, shall require an active licensee to submit to the board evidence satisfactory to the board that licensee is maintaining a policy of professional liability insurance as required by K.S.A. 40-3402, and amendments there to, and has paid the premium surcharges as required by K.S.A. 40-3404, and amendments thereto.

6. K.S.A. 40-3402 states:

   (a) A policy of professional liability insurance approved by the commissioner and issued by an insurer duly authorized to transact business in this state in which the limit of the insurer’s liability is not less than $200,000 per claim, subject to not less than a $600,000 annual aggregate for all claims made during the policy period, shall be maintained in effect
by each resident health care provider as a condition of active licensure or other statutory authorization to render professional service as a health care provider in this state, unless such health care provider is a self-insurer.

(b) A nonresident health care provider shall not be licensed to actively render professional service as a health care provider in this state unless such health care provider maintains continuous coverage in effect as prescribed by subsection (a), except such coverage may be provided by a non-admitted insurer who has filed the form required by subsection (b)(1). This provision shall not apply to optometrists and pharmacists on or after July 1, 1991 nor to physical therapists on and after July 1, 1995.

(1) Every insurance company authorized to transact business in this state, that is authorized to issue professional liability insurance in any jurisdiction, shall file with the commissioner, as a condition of its continued transaction of business within this state, a form prescribed by the commissioner declaring that its professional liability insurance policies, wherever issued, shall be deemed to provide at least the insurance required by this subsection when the insured is rendering professional services as a nonresident health care provider in this state. Any nonadmitted insurer may file such a form.

(2) Every nonresident health care provider who is required to maintain basic coverage pursuant to this subsection shall pay the surcharge levied by the board of governors pursuant to subsection (a) of K.S.A. 40-3404 and amendments thereto directly to the board of governors and shall furnish to the board of governors the information required in subsection (a)(1).

7. K.S.A. 40-3404 states:

(a) Except for any health care provider whose participation in the fund has been terminated pursuant to subsection (i) of K.S.A. 40-3403, and amendments thereto, the board of governors shall levy an annual premium surcharge on each health care provider who has obtained basic coverage and upon each self-insurer for each year.

(b) In the case of a resident health care provider who is not a self-insurer, the premium surcharge shall be collected in addition to the annual premium for the basic coverage by the insurer and shall not be subject to the provisions of K.S.A. 40-252, 40-955 and 40-2801 et seq., and amendments thereto. The amount of the premium surcharge shall be shown separately on the policy or an endorsement thereto and shall be specifically identified as
such. Such premium surcharge shall be due and payable by the insurer to the board of governors within 30 days after the annual premium for the basic coverage is received by the insurer. Within 15 days immediately following the effective date of this act, the board of governors shall send to each insurer information necessary for their compliance with this subsection. The certificate of authority of any insurer who fails to comply with the provisions of this subsection shall be suspended pursuant to K.S.A. 40-222, and amendments thereto, until such insurer shall pay the annual premium surcharge due and payable to the board of governors. In the case of a nonresident health care provider or a self-insurer, the premium surcharge shall be paid upon submitting documentation of compliance with K.S.A. 40-3402, and amendments thereto.

8. Under K.S.A. 65-2836, a license may be revoked, suspended or limited, or the licensee may be publicly censured or placed under probationary conditions, upon a finding of the existence of any of the following grounds:

(z) The licensee has failed to pay the premium surcharges as required by K.S.A. 40-3404.

Conclusions of Law

9. The Board has jurisdiction over Licensee as well as the subject matter of this proceeding, and such proceeding is held in the public interest.

10. The Board finds that Licensee violated K.S.A. 65-2836(z), in that Licensee has failed to pay the premium surcharges as required by K.S.A. 40-3404.

11. Based on the facts and circumstances set forth herein, the use of summary proceedings in this matter is appropriate, in accordance with the provisions set forth in K.S.A. 77-537(a), in that the use of summary proceedings does not violate any provision of law, and the protection of the public interest does not require the Board to give notice and opportunity to participate to persons other than Licensee.
IT IS HEREBY ORDERED that Licensee’s license is SUSPENDED until such time as he comes into compliance with KHCSF statutory requirements.

PLEASE TAKE NOTICE that upon becoming effective as a Final Order, this document shall be deemed a public record and be reported to any reporting entities authorized to receive such disclosure.

Dated this 14th day of June 2021.
