

Licensee's certification was revoked due to Licensee presenting an altered ARRT credentialing card showing that he was registered when he was not registered.

4. All pending investigation materials regarding Licensee were fully reviewed and considered by the Board's Disciplinary Panel #29. The Disciplinary Panel authorized and directed the issuance of this Summary Order and the specific disciplinary sanctions.

Applicable Law

5. K.S.A. 65-7313(a) of the Kansas Radiologic Technologists Practice Act states in pertinent part:

The license of a radiologic technologist may be limited, suspended or revoked, or the licensee may be censured, reprimanded, fined pursuant to K.S.A. 65-2863a, and amendments thereto, or otherwise sanctioned by the board or an application for licensure may be denied if it is found that the licensee or applicant:

(8) has been found guilty of unprofessional conduct under criteria which the board may establish by rules or regulations.

6. K.A.R. 100-73-6 of the Kansas Radiologic Technologists Practice Act defines unprofessional conduct as:

- (d) being sanctioned or disciplined by a peer review committee, or a medical care facility for acts or conduct that would constitute grounds for denial, limitation, suspension, or revocation of a license under K.S.A. 65-7313 and amendments thereto; . . .
- (h) committing conduct likely to deceive, defraud or harm the public; . . .

Conclusions of Law

7. The Board finds that Licensee violated K.S.A. 65-7313(a), as further defined by K.A.R. 100-73-6(d), when ARRT revoked his certification.

8. The Board finds that Licensee violated K.S.A. 65-7313(a), as further defined by K.A.R. 100-73-6(h), when he provided an altered AART credentialing card as being valid when it was not.

9. The Board has jurisdiction over Licensee as well as the subject matter of this proceeding, and such proceeding is held in the public interest.

10. Based on the facts and circumstances set forth herein, the use of summary proceedings in this matter is appropriate, in accordance with the provisions set forth in K.S.A. 77-537(a) in that the use of summary proceedings does not violate any provision of law and the protection of the public interest does not require the Board to give notice and opportunity to participate to person other than Licensee.

IT IS, THEREFORE, ORDERED that Licensee's license is hereby **INDEFINITELY SUSPENDED** for violating the Kansas Radiologic Technologists Practice Act. Licensee's license shall be indefinitely suspended.

PLEASE TAKE NOTICE that upon becoming effective as a Final Order, this document shall be deemed a public record and be reported to any reporting entities authorized to receive such disclosure.

Dated this 24 day of Feb, 2015.
