3. The Board is the sole and exclusive administrative agency in the State of Kansas authorized to regulate the practice of the healing arts, specifically the practice of medicine and surgery. K.S.A. 65-2869.
4. This Consent Order and the filing of such document are in accordance with applicable law and the Board has jurisdiction to enter into the Consent Order as provided by K.S.A. 65-2838. Upon approval, these stipulations shall constitute the findings of the Board, and this Consent Order shall constitute the Board’s Final Order.
5. The Kansas Healing Arts Act is constitutional on its face and as applied in this case.

6. Licensee agrees that, in considering this matter, the Board is not acting beyond its jurisdiction as provided by law.

7. Licensee voluntarily and knowingly waives his right to a hearing. Licensee voluntarily and knowingly waives his right to present a defense by oral testimony and documentary evidence, to submit to rebuttal evidence, and to conduct cross-examination of witnesses. 8. The terms and conditions of the Consent Order are entered into between the undersigned parties and are submitted for the purpose of allowing these terms and conditions to become an Order of the Board. This Consent Order shall not be binding on the Board until an authorized signature is affixed at the end of this document. 16. According to K.S.A. 65-2838(b), the Board has authority to enter into this Consent Order without the necessity of proceeding to a formal hearing.

a. Licensee shall not practice medicine and surgery unless he complies with each of the following:

Meeting the standards adopted by any one of the organizations appearing on Guideline for OBS Appendix B shall satisfy the requirements of this agreement. Licensee shall appear before the Board at the April 2005 meeting to identify the standards promulgated by an organization appearing on Guideline for OBS Appendix B that he will

The Board will conduct at least two unannounced office inspections within the next six months to ensure that Licensee is properly disposing of waste, handling and maintaining medications in an appropriate manner, and maintaining a clean clinic. Prior to the inspection, a Board investigator will meet with Licensee and provide Licensee with the guidelines regarding the Board's expectations for the three items for inspection.

18. Licensee's failure to comply with the provisions of the Consent Order may result in the Board taking further disciplinary action as the Board deems appropriate according to the Kansas Administrative Procedure Act.

19. Nothing in this Consent Order shall be construed to deny the Board jurisdiction to investigate alleged violations of the Healing Arts Act, or to investigate complaints received under the Risk Management Law, K.S.A. 64-4921 *et seq.*, that are known or unknown and are not covered under this Consent Order, or to initiate formal proceedings based upon known or unknown allegations of violations of the Healing Arts Act.

20. Licensee hereby releases the Board, its individual members (in their official and personal capacity), attorneys, employees and agents, hereinafter collectively

21. Licensee further understands and agrees that upon signature by Licensee, this document shall be deemed a public record and shall be reported to the National Practitioner Databank, Federation of State Medical Boards, and any other reporting entities requiring disclosure of the Consent Order.

22. This Consent Order, when signed by both parties, constitutes the entire agreement between the parties and may only be modified or amended by a subsequent document executed in the same manner by the parties.

23. Licensee agrees that all information maintained by the Board pertaining to the nature and result of any complaint and/or investigation may be fully disclosed to and considered by the Board in conjunction with the presentation of any offer of settlement, even if Licensee is not present. Licensee further acknowledges that the Board may conduct further inquiry as it deems necessary before the complete or partial acceptance or rejection of any offer of settlement.

24. Licensee, by signature to this document, waives any objection to the participation of the Board members, including the Disciplinary Panel, in the consideration of this offer of settlement and agrees not to seek the disqualification or recusal of any Board member in any future proceedings on the basis that the Board member has received investigative information from any source which otherwise may not be admissible or admitted as evidence.

25. Licensee acknowledges that he has read this Consent Order and fully understands the contents.

26. Licensee acknowledges that this Consent Order has been entered into freely and voluntarily.

27. All correspondence or communication between Licensee and the Board relating to the Consent Order shall be by certified mail addressed to the Kansas State Board of Healing Arts, Attn: Stacy L. Cook, 235 S. Topeka Blvd., Topeka, Kansas 66603-3068.

This Consent Order shall constitute the Board's Order when filed with the office of the Executive Director for the Board and no further Order is required.
