Docket No. 14-HA 00083

**SUMMARY ORDER**

NOW ON THIS 6 day of Jan, 2014, this matter comes before Kathleen Selzler Lippert, Executive Director, Kansas State Board of Healing Arts ("Board"), in summary proceedings pursuant to K.S.A. 77-537.

Pursuant to K.S.A. 77-537, this Summary Order shall become effective as a Final Order, without further notice, if no request for hearing is made within fifteen (15) days of service.

Upon review of the agency record and being duly advised in the premises, the following findings of fact, conclusions of law and order are made for and on behalf of the Board:

**Findings of Fact**

1. Gabriel F. Ramirez, M.D. ("Licensee") was originally issued license number 04-33817 to practice medicine and surgery in the State of Kansas on or about June 12, 2009. Licensee's current license designation is active, and such license was last renewed on or about June 6, 2013.
2. Licensee's last known mailing address as provided to the Board is: 4241 Long Beach Blvd., Long Beach, California 90807.
3. On or about June 6, 2013, Licensee submitted an application for renewal of his license to practice medicine and surgery in the State of Kansas.

4. Further, on or about June 6, 2013, Licensee certified on his renewal form that he had completed the required fifty (50) continuing education credits with a minimum of twenty (20) Category I credits and a maximum of thirty (30) Category II credits between January 1, 2012 to June 30, 2013.

5. As part of the Board's continuing education licensing audit process, Licensee was randomly selected to provide to the Board Licensee's proof of completion of his continuing education credits required for his license renewal.

6. On or about August 26, 2013, Board staff sent a letter to Licensee that requested Licensee provide the continuing education documentation Licensee relied upon when Licensee certified he completed the continuing education credits required by the Board for renewal of his license. This documentation was to be provided to the Board on or before October 4, 2013.

7. On or about September 24, 2013, Licensee submitted to the Board documentation evidencing the continuing education credits he completed between January 1, 2012, to June 30, 2013, which consisted of only nine (9) Category I credits of the required twenty (20) Category I credits. Licensee sent the Board documentation of his completion of the required thirty (30) Category II credits.

8. In addition, on or about September 24, 2013, with his continuing education submission, Licensee advised the Board that he had not completed the required amount of continuing education credits needed during Licensee's renewal cycle.

9. Further, on or about September 24, 2013, Licensee also submitted to the Board documentation evidencing his completion of continuing education acquired on or about September 11-12, 2013, which consisted of twenty-two (22) hours of Category I credits.

**Applicable Law**

10. K.S.A. 65-2809(b) of the Kansas Healing Arts Act states in pertinent part:

[T]he board shall require every licensee in the active practice of the healing arts within the state to submit evidence of satisfactory completion of a program of continuing education required by the board. The requirements for continuing education for licensees of each branch of the healing arts shall be established by rules and regulations adopted by the board.

11. K.A.R. 100-15-5(a)(1) of the Kansas Administrative Regulations states in pertinent part:

Each person who is licensed to practice a branch of the healing arts and who is required to submit proof of completion of continuing education as a condition to renewing a license shall certify...(A) During the 18-month period immediately preceding the license expiration date, the person completed at least 50 credits of continuing education, of which at least 20 credits shall be category I and the remaining credits in category II.

12. K.A.R. 100-15-6 of the Kansas Administrative Regulations states in pertinent part:

(a) Each person who certifies completion of continuing education shall ... maintain documentation of completion...

(b) Within 30 days following a written request by the board to a licensee, the licensee shall provide the board with proof of completion of continuing education...

13. K.S.A. 65-2836 of the Kansas Healing Arts Act states in pertinent part:

A licensee's license may be revoked, suspended or limited, or the licensee may be publicly or privately censured or placed under probationary conditions ... upon a finding of the existence of any of the following grounds:

(a) The licensee has committed fraud or misrepresentation in applying for or securing [a]...renewal...license...

(k) The licensee has violated any lawful rule and regulation promulgated by the board...

(r) The licensee has failed to furnish the board ... or its representatives, any information legally requested by the board.

14. K.S.A. 65-2863a(a) of the Kansas Healing Arts Act states in pertinent part:

The state board of healing arts ...may assess a civil fine, after proper notice and an opportunity to be heard, against a licensee for violation of the Kansas healing arts act in an amount not to exceed \$5,000 for the first violation ...

#### **Conclusions of Law**

15. The Board has jurisdiction over Licensee as well as the subject matter of this proceeding, and such proceeding is held in the public interest.

16. The Board finds that Licensee violated K.S.A. 65-2836(b) in that Licensee committed unprofessional and dishonorable conduct when he failed to comply with K.S.A. 65-2809(b) and K.A.R. 100-15-6 that requires Licensee to submit evidence of satisfactory completion of a program of continuing education by the Board.

17. Furthermore, the Board finds that Licensee violated K.S.A. 65-2836(a) in that Licensee committed fraud and/or misrepresentation in applying for and/or securing a renewal license when he certified he completed at least fifty (50) credits of continuing education credits for renewal of his license to practice medicine and surgery, when in fact he did not complete the minimum requirement.

18. In addition, the Board finds that Licensee violated K.S.A. 65-2836(k) in that Licensee violated a lawful rule and regulation promulgated by the Board. Specifically, Licensee

violated K.A.R. 100-15-5(a)(1) by certifying he completed at least fifty (50) credits of continuing education credits for renewal of his license to practice medicine and surgery, when in fact he did not complete the minimum requirement, therefore a violation of a lawful rule and regulation promulgated by the Board.

19. Further, the Board finds that Licensee violated K.S.A. 65-2836(r) and K.A.R. 100-15-6 in that Licensee failed to furnish the Board representative the legally requested information, specifically the proof of his completion of at least fifty (50) credits of continuing education to the Board.

20. Based on the facts and circumstances set forth herein, it appears that the use of summary proceedings in this matter is appropriate, in accordance with the provisions set forth in K.S.A. 77-537(a), in that the use of summary proceedings does not violate any provision of the law and the protection of the public interest does not require the Board to give notice and opportunity to participate to persons other than Licensee, Gabriel F. Ramirez, M.D.

**IT IS, THEREFORE, ORDERED** that Licensee is hereby assessed a **CIVIL FINE** in the amount of \$500.00 for violation of the Healing Arts Act.

21. The total amount of \$500.00 shall be due on or before February 6, 2014.

22. Licensee shall make all payments payable to the Kansas State Board of Healing Arts, and send all payments to the attention of: Licensing Audit Coordinator, Kansas State Board of Healing Arts, 800 SW Jackson, Lower Level-Suite A, Topeka, Kansas 66612.

**PLEASE TAKE NOTICE** that upon becoming effective as a Final Order, this document shall be deemed a public record and be reported to any reporting entities authorized to receive such disclosure.
