**KSBHA Docket No. 10-HA00133**

**FINAL ORDER TERMINATING MONITORING**

**NOW** on this 11th day of April, 2014, comes before the Kansas State Board of Healing Arts (“Board”) the request of Craig Rogers, DC (“Licensee”) for termination of the monitoring requirement contained in the Consent Order filed in this matter on April 20, 2010. Licensee appears in person and *pro se*. Jane Weiler, Associate Litigation Counsel, appears on behalf of the Respondent Board.

Pursuant to the authority granted to Board by K.S.A. 65-2801 *et seq.*, and in accordance with the provisions of the Kansas Administrative Procedure Act K.S.A. 77-501 *et seq.*, the Board hereby enters this Final Order in the above-captioned matter. After reviewing the agency record, hearing the statements and arguments of the parties, receiving evidence, and being otherwise advised in the premises, the Board makes the following findings, conclusions and order:

1. Licensee is presently licensed to engage in the practice of chiropractic in the State of Kansas, having been issued License No. 01-04691.
2. On or about April 20, 2010, Licensee entered into a Consent Order with the Board as a condition to being granted reinstatement of licensure. The Consent Order was entered into to resolve concerns regarding Licensee’s history of **Confidential** absence from the active practice of chiropractic since May 2005.

Licensee further agreed to take and pass the Special Purpose Examination for Chiropractic (SPEC), and submit to the Board the results of said examination. Following successful completion of the SPEC, Licensee was required to submit a written practice plan to the Board. Upon receipt of the successful completion of the SPEC and written practice plan, the Board would determine if any additional monitoring terms would be needed in regards to Licensee's active practice.

4. The terms of the Consent Order allowed Licensee to petition the Board for modification or termination after five (5) years.

5. In October of 2010, subsequent to Licensee's successful completion of the SPEC, the Board approved a plan of practice with practice monitoring requirements. On or about May 2, 2012, a Final Order was issued by the Board that granted Licensee's request to terminate the practice monitoring requirements.

12. The Board finds that Licensee has satisfactorily met all requirements of the Consent Order and concludes that termination of the monitoring requirement is warranted in the circumstances.

**IT IS THEREFORE ORDERED, BY THE KANSAS STATE BOARD OF HEALING ARTS** that the monitoring requirements imposed by the Consent Order filed on April 20, 2010, is hereby **TERMINATED** and that Licensee shall have no further obligation for compliance.
