HEALING ARTS

FINAL ORDER

NOW on this 18th day of August, 2001, comes on for Conference Hearing the application of Steven B. Rolland, D.C. (hereafter "Applicant") for a license to practice chiropractic in the state of Kansas. Applicant appears in person pro se. The Kansas State Board of Healing Arts (hereafter "Board") appears by and through Kelli J. Benintendi, Associate Counsel.

After reviewing the file, hearing statements of the parties, and being otherwise duly advised in the premises, the Board finds, concludes and orders as follows:

1. The material facts are not in dispute and a conference hearing on Applicant's Application for a License is appropriate.
2. On or about December 1, 2000, Applicant filed an Application for a License to practice chiropractic in the state of Kansas.
3. On or about February of 1989, Applicant was convicted of three (3) counts of custodial interference, a felony, in the Circuit Court for the State of Oregon in Linn County, Oregon.
4. K.S.A. 2000 Supp. 65-2836(c) provides in pertinent part that "In the case of a person who has been convicted of a felony and who applies for an original license or to reinstate a canceled license, the application for a license shall be denied unless a 2/3 majority of the board members present and voting on such application determine by clear and convincing evidence that such person

will not pose a threat to the public in such person's capacity as a licensee and that such person has been sufficiently rehabilitated to warrant the public trust."

5. Applicant has failed to provide clear and convincing evidence as required by K.S.A. 2000 Supp. 65-2836(c) and Applicant's Application for a License to practice chiropractic in the state of Kansas should be denied.

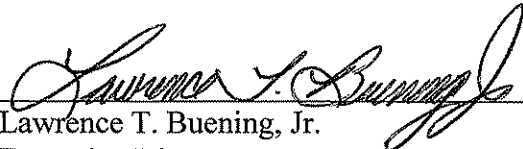

6. In the event Applicant should reapply for a license in the state of Kansas, the Board will consider, in addition to any other evidence Applicant may present, passage of part IV and the SPEC examination administered by the National Board of Chiropractic Examiners as factors in determining whether Applicant has provided clear and convincing evidence as required by K.S.A. 2000 Supp. 65-2836(c).

IT IS THEREFORE ORDERED that the Application for a License to practice chiropractic in the state of Kansas filed by Steve B. Rolland, D.C. is denied.

PLEASE TAKE NOTICE that this is a Final Order and is effective upon service. A party may seek judicial review of a Final Order by filing a petition in the district court within 30 days following service of the order. A Petition for Reconsideration is not a prerequisite to judicial review. A copy of any Petition for Judicial Review must be served upon Lawrence T. Buening, Jr., Executive Director, 235 S.
