Docket No. 03-HA-16

FINAL ORDER

NOW ON THIS Twelfth Day of October 2002, this matter comes before the Board upon an application for a license to practice chiropractic. Applicant Steven B. Rolland, D.C., appears in person. Kelli J. Benintendi, Associate Counsel, appears for the Board.

After hearing the statements of the parties, the Board finds, concludes and orders as follows:

1. In February 1989, Applicant was convicted of three counts of custodial interference, a felony, in the State of Oregon.
2. Applicant has shown clear and convincing evidence that he has been sufficiently rehabilitated, and that he does not appear to be a danger to the public as a practitioner of the healing arts.
3. The Board is concerned that Applicant has not actively practiced chiropractic in the United States since his graduation from chiropractic college in 1986. However, Applicant did successfully complete Part IV of the licensing examination in May 2002. He is not eligible to take the Special Purpose Examination for Chiropractic because he is not licensed to practice chiropractic in any state. The Board finds that the evidence of successful completion of the SPEC is necessary to show that Applicant may safely practice chiropractic, and that Applicant

should be granted a temporary permit so that he may take the SPEC. Further, the Board finds that Applicant's practice should be monitored while practicing under the temporary permit.

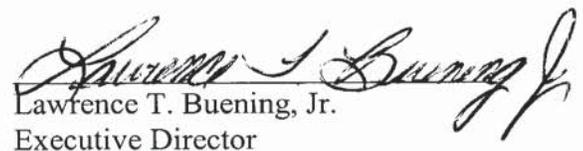

IT IS, THEREFORE, ORDERED that Applicant be granted a temporary permit to allow Applicant to take the next SPEC following January 1, 2003, and that the temporary permit is to be effective until the results of that SPEC are available to the Board. The temporary permit shall allow Applicant to practice chiropractic.

IT IS FURTHER ORDERED that Applicant's practice of chiropractic be monitored by a member of the Board on monitoring terms deemed advisable to that Board member and the Board President. The Board appoints Vinton Arnett, D.C. to monitor Applicant's practice as herein ordered.

PLEASE TAKE NOTICE that this is a Final Order. A Final Order is effective upon service. A party to an agency proceeding may seek judicial review of a Final Order by filing a petition in the District Court as authorized by K.S.A. 77-610, et seq. Reconsideration of the Final Order is not a prerequisite to judicial review. A petition for judicial review is not timely unless filed within 30 days following service of the Final Order. A copy of any petition for judicial review must be served upon the Board's executive director at 235 S. Topeka Blvd., Topeka, KS 66603.

Dated this 15th Day of November 2002.
