**Docket No. 03-HA-16**

**FINAL ORDER**

**NOW ON THIS** Twenty Sixth Day of April 2003, this matter comes before the Board upon a request to extend a temporary permit to practice chiropractic. Applicant Steven B. Rolland, D.C., appears in person. Kelli J. Benintendi, Associate Counsel, appears for the Board.

After hearing the statements of the parties, the Board finds, concludes and orders as follows:

1. This matter was before the Board in October 2002. The Board issued a Final Order dated November 1, 2002 in which the Board found that in February 1989, Applicant was convicted of three counts of custodial interference, a felony, in the State of Oregon. The Board further found, by a two-thirds majority vote, that Applicant had shown clear and convincing evidence that he is sufficiently rehabilitated, and that he does not appear to be a danger to the public as a practitioner of the healing arts.

2. The Board was concerned that Applicant has not actively practiced chiropractic in the United States since his graduation from chiropractic college in 1986. However, Applicant did successfully complete Part IV of the licensing examination in May 2002. He is not eligible to take the Special Purpose Examination for Chiropractic (SPEC) because he is not licensed to practice chiropractic in any state. The Board granted a temporary permit so that Applicant would

become eligible to take the SPEC.

3. The Board finds that Applicant is still not eligible to take the SPEC because the National Board of Chiropractic Examiners, which owns and administers the examination, requires licensure for 24 months prior to taking the SPEC.

4. On its own initiative, the Board reconsiders its prior order that Applicant take the SPEC. In light of his successful completion of Part IV of the licensing examination within the past year, the Board determines that Applicant should be granted a license to practice chiropractic, and that his practice should be monitored. Board Member Vinton Arnett, D.C., agrees to monitor Applicant's professional practice under terms acceptable to Applicant and Board counsel.

**IT IS, THEREFORE, ORDERED** that Applicant be granted a license to practice chiropractic.

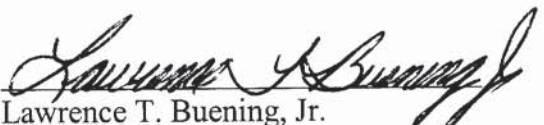

**IT IS FURTHER ORDERED** that Applicant's practice of chiropractic be monitored by Board Member Vinton Arnett, D.C., on monitoring terms deemed acceptable to Applicant and Board counsel. If such terms are not agreed upon, either Applicant or Board Counsel may request further Board orders.

**PLEASE TAKE NOTICE** that this is a Final Order. A Final Order is effective upon service. A party to an agency proceeding may seek judicial review of a Final Order by filing a petition in the District Court as authorized by K.S.A. 77-610, et seq. Reconsideration of the

Final Order is not a prerequisite to judicial review. A petition for judicial review is not timely unless filed within 30 days following service of the Final Order. A copy of any petition for judicial review must be served upon the Board's executive director at 235 S. Topeka Blvd., Topeka, KS 66603.

Dated this 30<sup>th</sup> Day of April 2003.
