STIPULATION

This Agreement made and entered into this 7 day of March 1980, by and between the Kansas State Board of Healing Arts, hereinafter referred to as "Board" and Carl Henry Ruff, M.D., hereinafter referred to as "Ruff".

WHEREAS, the Board did on or about January 15, 1980 prepare a petition alleging that Ruff had performed acts in violation of K.S.A. 1979 Supp. 65-2836, 65-2837, and amendments thereto, and

WHEREAS, it is the desire of both the Board and Ruff that a Stipulation be agreed upon and entered into herein, thereby resolving any differences that might exist between the parties and likewise amicably resolve the present and existing controversy,

NOW, THEREFORE, BE IT RESOLVED, that the parties hereto agree and understand as follows:

1. That the parties understand and agree that this stipulation has the full force and effect as set forth by Kansas statutes:

2. That Ruff will agree to:

a. Voluntarily relinquish his D.E.A. registration, and accordingly not be allowed to prescribe controlled substances.

That Ruff shall be deprived of this registration and the ability and permission to prescribe controlled substances for a period of one year, said time period to commence on the date this stipulation is signed, which shall also be the date that Ruff gives proper notification of his relinquishing his D.E.A. registration.

b. That he will, at all times, maintain proper and acceptable records regarding his patients; and shall allow any investigator from the Board to monitor and review his practice of record keeping at any reasonable time and place.

3. That the Board will agree to conclude the proceedings above referred to by entering into this Stipulation and thereby not require any further legal hearings or proceedings.
