**KANSAS STATE BOARD OF
HEALING ARTS**

FINAL ORDER OF CANCELLATION OF LICENSE

NOW on this 9th day of October, 1993, comes on for reconsideration before the Kansas State Board of Healing Arts (hereinafter "Board") sitting as a whole the request by Robert P. Sherman, M.D. (hereinafter "Applicant") to vacate the Proposed Default Order of Cancellation of License. Applicant does not appear.

After reviewing the request and being otherwise duly advised in the premises, the Board makes the following findings of fact:

1. Applicant was originally licensed to practice medicine and surgery in the State of Kansas on July 1, 1964.

2. Pursuant to K.S.A. 65-2809 and K.A.R. 100-15-1, licenses to practice medicine and surgery expire on June 30 of each year and may be renewed annually upon the request of the licensee by providing a request for renewal on a form provided by the Board.

3. K.S.A. 65-2809(d) requires that at least 30 days before expiration of a license the Board notify licensee of the expiration of a license by mail to licensee's last address as noted in Board records. Upon failing to renew by the expiration date the Board

will suspend action for 30 days following the date of expiration and provide a second notice to licensee that licensee's license has expired.

4. On May 14, 1993, in accordance with the statutory provisions, Applicant was mailed the form necessary to renew his license which was addressed to his last address noted in Board records. This first notice was never returned to the Board office.

5. On July 20, 1993, a second notice indicating Applicant's license had expired and that the Board would suspend action on the license for 30 days following expiration of said license was mailed and returned to the Board office marked "MOVED - LEFT NO ADDRESS."

6. In accordance with K.S.A. 65-2809(d) and 77-520, a Proposed Default Order of Cancellation of License was mailed August 17, 1993 and received by Applicant on August 21, 1993 at his residence address.

7. The Proposed Default Order of Cancellation provided it would become effective upon expiration of seven days following service if a written motion requesting said Order be vacated was not received during said period.

8. By letter dated August 23, 1993, Applicant requested withdrawal of cancellation notice within the seven day time period for filing said request.

9. By letter dated September 20, 1993, Applicant submitted an application for renewal together with a check made payable to the Board dated September 20, 1993 in the sum of \$250.

IT IS THEREFORE BY THE BOARD ORDERED that Applicant's request to reconsider and vacate the Proposed Default Order of Cancellation of License should be denied.

IT IS FURTHER ORDERED that Applicant's license to practice medicine and surgery be cancelled effective immediately.

IT IS FURTHER ORDERED that Applicant should be required to comply with the requirements necessary to reinstate his license in order to again have a valid license to practice medicine and surgery in the State of Kansas.

IT IS FURTHER ORDERED that this is a Final Order and is effective upon service on the parties. Any party may, within 15 days after service, file a Petition for Reconsideration. The filing of a Petition for Reconsideration is not a prerequisite for seeking administrative or judicial review.

IT IS SO ORDERED.

DATED this 14th day of October, 1993.
