SUMMARY ORDER

NOW ON THIS 8th day of May 2019, this matter comes before Kathleen Selzler Lippert, Executive Director, Kansas State Board of Healing Arts ("Board"), in summary proceedings pursuant to K.S.A. 77-537.

Pursuant to K.S.A 77-537 and K.S.A. 77-542, this Summary Order shall become effective as a Final Order, without further notice, if no written request for a hearing is made within 15 days of service. Upon review of the agency record and being duly advised in the premises, the following findings of fact, conclusions of law, and order are made for and on behalf of the Board:

Findings of Fact

1. Daniel Lee Sigley, A.T. ("Licensee") was issued License No. 24-00735 on September 16, 2010. Licensee last renewed his license on or about November 30, 2018. Licensee's license status is currently Active.

2. Licensee's last known mailing address to the Board is: 

3. During all times relevant to the facts set forth in this Summary Order, Licensee held an Active license to practice as an athletic trainer in Kansas.

4. Licensee's renewal applications dated November 13, 2013, November 14, 2014, November 25, 2015, November 7, 2016, and November 30, 2017, reflected Christopher Miller, M.D., license number 04-25449, as Licensee's responsible physician.

5. Licensee did not submit a practice protocol designating Dr. Miller as Licensee's responsible physician until August 28, 2018.

Applicable Law

6. Pursuant to K.S.A. 65-6906(d):

As a condition of performing the functions and duties of an athletic trainer in this state, each licensed athletic trainer shall file a practice protocol with the board. The practice protocol shall be signed by each person licensed by the board to practice the healing arts who will delegate to the athletic trainer acts which constitute athletic training and shall contain such information as required by rules and regulations adopted by the Board.

7. Pursuant to K.A.R. 100-69-9:

(a) As a condition of providing services as an athletic trainer in this state that constitute the practice of the healing arts, each athletic trainer licensed by the board shall file a practice protocol with the board on a form issued by the board.

(b) Each practice protocol shall contain the following information:

(1) The name, license number, signature, and date of signature of any person licensed to practice the healing arts who will delegate to the athletic trainer any professional responsibilities that constitute the practice of the healing arts;

(2) a description of the functions and procedures delegated to the athletic trainer that constitute the practice of the healing arts;

(3) a statement from a person licensed to practice the healing arts specifying those acts that have been delegated to the athletic trainer in the absence or unavailability of the licensee; and

(4) a statement that the board will be provided with any changes or amendments to the practice protocol within 10 days after any changes or amendments have been made.

8. The board may deny, suspend, limit, refuse to renew, place on probation, reprimand or revoke any license granted under the athletic trainers licensure act or take other disciplinary action as the board may deem proper if the individual has violated any provision of athletic trainers licensure act or any rule and regulation adopted under such act, or committed unprofessional conduct as defined by rules and regulations adopted by the board. *See* K.S.A. 65-6911(a)(6) and K.S.A. 65-6911(a)(10).

9. "Unprofessional conduct," as used in the athletic trainers licensure act, is defined as, among other things, "providing services as an athletic trainer without practice protocols or contrary to the practice protocols filed with the board." *See* K.A.R. 100-69-7(e).

Conclusions of Law

10. The Board has jurisdiction over Licensee as well as the subject matter of this proceeding, and such proceeding is held in the public interest.

11. The Board finds that Licensee violated K.S.A. 65-6911(a)(6), in that Licensee violated the athletic trainers licensure act by failing to conform to K.S.A. 65-6906(d) and K.A.R. 100-69-9, in that Licensee, over the course of approximately five years, provided services as an athletic trainer without filing proper and accurate practice protocols with the Board.

12. The Board finds that Licensee violated K.S.A. 65-6911(a)(10), as further defined by K.A.R. 100-69-7(e), in that Licensee, over the course of approximately five years, provided services as an athletic trainer without practice protocols and/or contrary to the practice protocols filed with the Board.

13. Based on the facts and circumstances set forth herein, the use of summary proceedings in this matter is appropriate, and in accordance with the provisions set forth in K.S.A.

77-537(a), in that the use of summary proceedings does not violate any provision of law, and the protection of the public interest does not require the Board to give notice and opportunity to participate to persons other than Licensee.

IT IS HEREBY ORDERED that Licensee is issued a **PUBLIC REPRIMAND** for violations of the Kansas athletic trainers licensure act.

PLEASE TAKE NOTICE that upon becoming effective as a Final Order, this document shall be deemed a public record and be reported to any reporting entities authorized to receive such disclosure.

Dated this 8 day of May 2019.
