**FINAL ORDER FOLLOWING CONFERENCE HEARING**

NOW, on this 5th day of April, 1997, this matter comes on for conference proceedings before the Kansas Board of Healing Arts (hereinafter "Board") regarding the application for registration as a respiratory therapist in the State of Kansas by Lyn Sorensen (hereinafter "Applicant").

Charlene K. Abbott, Licensing Administrator, presented information before the Board. Applicant did not appear.

After reviewing the file, hearing statements of the parties and being duly advised in the premises, the Board makes the following findings of fact, conclusions of law and orders:

---

**FINAL ORDER FOLLOWING CONFERENCE HEARING**

1. Applicant's Application for Registration in Respiratory Therapy was received on January 23, 1997.

2. Applicant requests waiver of question #18 of the application which requires certification of respiratory therapy school since the school has closed and a certificate from the school cannot be obtained at this time.

3. Notice of Conference Hearing setting this matter for hearing at 10:45 a.m. on April 5, 1997 was filed herein on March 20, 1997 and served on Applicant on that same date.

4. Pursuant to K.S.A. 65-5506(a)(1), Applicant has been unable to present evidence of certification of attendance in the Respiratory Therapy Technician Training Program at Christ Hospital where Applicant graduated in 1979. This school was originally accredited as required by the Board under K.A.R. 100-55-2 prior to its closure in 1982.

5. The Board has determined that information provided by Applicant in support of the application is in substantial conformity with K.A.R. 100-55-1 and 100-55-2 to show she graduated from a recognized educational program and, therefore, sufficient cause exists to waive the requirement for Applicant to complete question #18, Certification of RT School.

**IT IS THEREFORE ORDERED, ADJUDGED AND DECREED** that the requirement of certification of respiratory therapy school, or question #18 of Applicant's Application For Registration In Respiratory Therapy, is hereby waived.

**IT IS FURTHER ORDERED** that waiver of the certification of respiratory therapy school requirement does not constitute approval of Applicant's Application For Registration In Respiratory Therapy, nor does it constitute a waiver of any other requirement of the application. Applicant's Application will not be considered by the Board until all the documentation required by the application is received, with the exception of the certification.

**IT IS FURTHER ORDERED** that this is a Final Order and is effective upon service upon the parties. Any party may, within fifteen (15) days after service, file a Petition for Reconsideration. The filing of a Petition for Reconsideration is not a prerequisite for seeking administrative or judicial review.

**IT IS SO ORDERED.**
