Case No. 92-00197

ORDER DENYING RECONSIDERATION

NOW ON THIS 11th Day of February, 1995 comes on for deliberation Respondent's request for reconsideration. There being no grounds for reconsideration stated in the request, and there being no issues identified in oral argument which support reconsideration of the Final Order, the request is denied.

The parties are advised that all administrative remedies have now been exhausted. A party desiring relief may seek review in the District Court. A petition for judicial review is not timely unless filed within 30 days following the final order, except that such time is extended during the pendency of timely attempts to exhaust administrative remedies.
