KANSAS STATE BOARD OF HEALING ARTS
OFFICE OF THE CLERK

FINAL ORDER FOLLOWING CONFERENCE HEARING

NOW, on this 15th day of August, 1992, this matter comes on for consideration before the Kansas State Board of Healing Arts (hereafter "Board") sitting as a whole as Presiding Officer in a conference proceeding pursuant to the provisions of K.S.A. 1991 Supp. 77-533 through 77-535, the request submitted by Quy Van Tran, M.D. (hereafter "Applicant") for waiver of completion of Section X entitled "Certificate of Professional College" and proof of transcripts on the application for endorsement for license to practice medicine and surgery in the state of Kansas received February 24, 1992. 4. The requirements of Section X of the application for license by endorsement are not part of the application for an institutional license; that the provisions of K.A.R. 100-8-2(e) are not applicable to individuals applying for an institutional license under K.S.A. 1991 Supp. 65-2895; that from the documents provided as part of the application for endorsement license, it appears Applicant would meet the requirements for an institutional license under K.S.A. 1991 Supp. 65-2895 if he becomes employed by the Department of SRS, any institution within the Department of Corrections or pursuant to a contract entered into by said Departments with a third party; and that Applicant may apply for an institutional license and pay the application fee of \$150 in the event he becomes employed as aforementioned and desires to engage in the practice of medicine and surgery as part of said employment

prior to providing the additional documentation directed in paragraph three above.

IT IS THEREFORE ORDERED as follows:

C. The requirements of Section X of the application for license by endorsement are not part of the application for an institutional license; that the provisions of K.A.R. 100-8-2(e) are not applicable to individuals applying for an institutional license under K.S.A. 1991 Supp. 65-2895; that from the documents provided as part of the application for endorsement license, it appears Applicant would meet the requirements for an institutional license under K.S.A. 1991 Supp. 65-2895 if he becomes employed by the Department of SRS, any institution within the Department of Corrections or pursuant to a contract entered into by said Departments with a third party; and that Applicant should apply for an institutional license and pay the application fee of \$150 in the

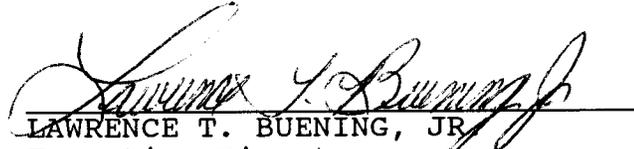

event he becomes employed as aforementioned and desires to engage in the practice of medicine and surgery as part of said employment prior to providing the additional documentation directed in paragraph three above.
