Case No. 94-00245

FINAL ORDER

NOW on this 9th day of December, 1994, this matter comes on for consideration before the Kansas State Board of Healing Arts ("Board") sitting as a whole as Presiding Officer in a conference proceeding pursuant to the provisions of K.S.A. 77-533 through 77-535, the application of Dale L. Williams, M.D. ("Applicant") for licensure to practice medicine and surgery by endorsement. Gretchen E. Schmidt, Associate Counsel, appears for and on behalf of the Board. Applicant appears pro se.

After reviewing the application and being otherwise duly advised in the premises, the Board finds as follows:

FINDINGS OF FACT

1. On February 24, 1994, Applicant submitted an Application for Licensure by Endorsement to the Board.

2. Based upon information provided by Applicant in his Application for Endorsement, the Board conducted an investigation into Applicant's affirmative answers to questions 5, 10, 11 and 18 in section VI of the Application, namely that Applicant's license to practice medicine had been limited in the State of Michigan. Further, Applicant has had

privileges suspended or revoked by two medical care facilities located in the State of Michigan.

3. On September 13, 1994, a Stipulation and Agreement and Enforcement Order was filed with the Board whereby Applicant was issued a temporary permit from September 1 through December 15, 1994 under the condition that he would not provide direct patient care services to any person in the State of Kansas. Applicant agreed that such temporary permit was limited to performing administrative functions, including peer review, disability determinations, utilization review and expert opinions.

CONCLUSION OF LAW

Upon review of the application, the above-noted facts and investigation results, the Board finds insufficient reason to deny Applicant's Application for License by Endorsement or to limit a permanent license to practice medicine and surgery under K.S.A. 65-2836.

IT IS THEREFORE BY THE BOARD ORDERED as follows:

(A) That the findings herein above made be and the same are made the Order of the Board.

(B) That Applicant's Application for Licensure to Practice Medicine and Surgery by Endorsement in the State of Kansas shall be placed on the Board agenda for final approval and issuance of a permanent license at the next regularly scheduled meeting of the Board.

(C) That temporary permit number 94-01910 issued September 1, 1994 should be extended and remain in full force and effect pending final approval and issuance of the permanent license.

FINAL ORDER

Dale L. Williams, M.D.

(D) This is a Final Order and is effective upon service upon the parties. Any party may, within 15 days after service, file a Petition for Reconsideration. The filing of a Petition for Reconsideration is not a prerequisite for seeking administrative or judicial review.

IT IS SO ORDERED.
