In the Matter of Carrie Ann Wixon, P.A. Kansas License No. 15-01229

KSBHA Docket No.10-HA00051

FINAL ORDER TERMINATING ALL CONSENT ORDER REQUIREMENTS

NOW, on this 24th day of February 2012, comes before the Kansas State Board of Healing Arts ("Board") the request of Carrie Ann Wixon, P.A. ("Licensee") for termination of the probation and limitations requirements agreed to by the parties in a Consent Order entered in Docket No. 10-HA00051. Licensee appears in person, and through counsel, Mark Stafford of Holbrook and Osborn, P.A. Reese H. Hays, Litigation Counsel, appears on behalf of the Respondent Board.

Pursuant to the authority granted to the Board by the Physician Assistants Act, K.S.A. 65-28a01, et seq., and in accordance with the provisions of the Kansas Administrative Procedure Act, K.S.A. 77-501, et seq., the Board hereby enters this Final Order following a conference hearing in the above-captioned matter. After reviewing the file, hearing the statements of the parties, and being otherwise duly advised in the premises, the Board makes the following findings, conclusions and order:

- 1. Carrie Ann Wixon, P.A. ("Licensee"), has been entitled to engage in the practice as a physician assistant in the State of Kansas, having been issued License No. 115-01229 on approximately February 26, 2008.
2. On October 19, 2009, Licensee entered into a Consent Order with the Board in which Licensee agreed to probation that included monitoring and education.

3. The terms of the Consent Order were to resolve allegations that Licensee failed to have medical relationships with and evaluate five (5) patients as well as create and maintain any medical records for the prescription(s) Licensee authorized for the patients. It was also alleged that Licensee's actions exceeded the scope of authority given by the Licensee's supervising physician.

4. Pursuant to the Consent Order, the monitoring terms included a review of 100% of Licensee's prescribing practices by a Board-appointed monitor; a review of Licensee's prescriptions with a monthly report to the Board regarding her prescribing; and education to include a course in appropriate prescribing of narcotics.

5. The monitoring and education provisions of the Consent Order were not self-terminating. After a period of two (2) years, Licensee could request modification or termination of the provisions.

6. On or about July 9, 2010, Licensee provided proof of completion of the education requirement set out in the Consent Order.

7. Licensee provided the Board with her monthly monitoring reports regarding her prescribing for the months of October 2009 through October 2011. There were no problems found in any of the monitoring reports.

8. On or about November 17, 2011, Licensee filed a Petition to Terminate Probation and Limitation with the Board.

9. On or about December 2, 2011, the Respondent Board filed a Response to Licensee's request.

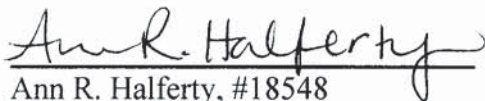

10. The Board finds that licensee has satisfactorily met all of the requirements of the Consent Order and termination is appropriate under the circumstances.

IT IS THEREFORE ORDERED, BY THE KANSAS STATE BOARD OF HEALING ARTS, that Licensee has met all of the requirements of the Consent Order and that Licensee's request to terminate all requirements of the Consent Order is hereby granted.

IT IS SO ORDERED THIS 9th DAY OF MARCH, 2012, IN THE CITY OF TOPEKA, COUNTY OF SHAWNEE, STATE OF KANSAS.
