

**Kansas Board of Healing Arts  
Radiologic Technologist Council Meeting  
October 17, 2014, noon**

**I Call To Order:** Meeting called to order by Dennis Petterson, M.D. 12:02 p.m.  
Council Members Present: Melinda Chiroy, LRT; Dennis Petterson, M.D.; Linda Croucher, LRT.

Council Members Absent: Toni Caldwell, LRT.

Others Present: Joshana L. Offenbach, Associate Disciplinary Counsel; Alison Tenfelde, SAS; Brian Ralph, LRT

**II Approval of Minutes from July 11, 2014:** Approved  
(Petterson/Chiroy)

**III New Business:**

**A. CEUs:** A discussion regarding the new renewals and the CEU questions indicated the questions are extremely confusing. It was stated that ARRT requires CEUs of 24 hours every two years. Whereas, the licensing board requires 12 per year. This confuses individuals as well. It was asked if someone could clarify this matter at the next meeting. Both of these issues have led to considerable discussion and anxiety among LRTs.

**IV Old Business:**

**A. KDHE and Non-Licensed Rad Techs:** This was tabled until the January 2015 meeting at which time Mr. Dan Riley will discuss it.

**B. Radiological Assistants:** No activity. Mr. Ralph contacted KMS and had not had any response. Someone else contacted the Kansas Hospital Association, but they have not heard back either. The State of Nebraska has gone through their committee review. It is waiting for the director's response. They have met 4 out of the 7 requirements for legislation. This was tabled until the January 2015 meeting.

**V Disciplinary Report:** Closed session 12:17 p.m. (Petterson/Chiroy).  
Open Session 12:28 p.m. (Croucher/Petterson)
