

**Kansas Board of Healing Arts
LRT COUNCIL MEETING
January 20, 2017
12:00 p.m.**

I. Call to Order:

Meeting called to order at 12:04 p.m. Council members participating were Toni Caldwell, LRT; Melinda Chiro, LRT (arrived at 12:14); Dr. Arin Katzer, Dr. Steven Gould by teleconference; Doug Billings, LRT. Staff members present were Stacy Bond, Assistant General Counsel; Joshana Offenbach, Associate Disciplinary Counsel; Jennifer McArthur and Dan Riley, Disciplinary Counsel. Also present was Brian Ralph, KSRT member.

II. Approval of Council Meeting Minutes:

As there was an insufficient amount of members for a quorum at the scheduled October, 2016 meeting, no meeting was held and no minutes were recorded.

III. New Business:

- A. Discussion was held regarding the re-appointment of Doug Billings to the Council. There was apparently a misunderstanding with the KSRT concerning the number of RT's they are allowed to recommend for the council. Apparently when looking for a replacement for Linda Croucher, the Governor's Office did not consult with KSRT.
- B. Concerns were discussed regarding dental hygienist not being required to obtain continuing education if they are taking x-rays of patients. Dan stated that he would inform Jesse at KDHE of the council's concerns.

IV. Old Business:

- A. Mr. Riley informed the council that the annual audit of unlicensed RT's who are practicing without licensure is in progress. Assistance from KDHE has been a great help in identifying these individuals. Additional information was provided by Mr. Riley that KDHE is currently working on their regulations regarding continuing education requirements for radiological technologists.
- B. No requests were made regarding modifying any of the current LRT statutes or regulations.

V. Application Review:

List of New Licensee's since last meeting.
