III. New Business:

A. Tele-Rehabilitation: Ms. Forrest stated that there was some discussion on the national level concerning tele-rehabilitation but this is very recent. Ms. Stevens stated that it would only require licensure in Kansas to perform tele-rehabilitation and should not require changes in the regulations.

IV. Old Business:

A. KAR 100-54-7: Ms. Stevens stated that the revisions have passed the legal review and are now waiting on the hearing. She wants to complete the OT Supervision revisions so we would only need to schedule one hearing.

B. OT Supervision: Ms. Stevens provided a revised draft. She has added the limitation that an OT with a temporary permit cannot supervise an OTA. Ms. Stevens also questioned the wording concerning the limitation of supervision shall not exceed a total of 8 OTAs. The council members did not see a need for any changes in the test. The council members were also in favor of the revision concerning "general supervision". These revisions will go to the Attorney General's office for review. If it is returned with any changes, the changes will be presented to the counsel to review.
