live in September and is being utilized. The PT renewal cycle begins November 15\textsuperscript{th} and notices are going out to licensees. No questions

c. **Update CE Broker:** Warran gave an overview of the CE Broker software program. It is an online tracking system of CE courses. It is free and voluntary. Implementation has started and will go live throughout 2023. Ms. Vequist asked if the program approves the CE’s or just tracks, Warran answered that the program just tracks. Ms. Vequist also asked if this was separate from KPTA’s tracking and Warran answered that yes, it is separate. Susan Gile also stated that the system allows the user to search the training programs by subject matter and method of delivery, i.e., online training or in-person. It was again noted that the basic plan is free, but the user can opt for additional plans that have costs.

d. **Discussion of Institute of Clinical Excellence Course “Total Spine Thrust Manipulation”:** A discussion was had regarding whether PT programs had thrust manipulation training for any level of PT. Council members stated that there is supplemental training, but it is not part of the core curriculum. Council members would like information on what other states are doing, if anything, in this area of training.

V. **Old Business:**

a. **Update on Revisions to PT regulations.**

Permanent PT Regulations - Effective September 16, 2022:

- K.A.R. 100-29-7 (Fees)
- K.A.R. 100-29-9 (License/Certificate Renewal; Continuing Education)
- K.A.R. 100-29-15 (Professional Liability Insurance)

b. **Updates on PT Compact.** Delayed until the FBI approves the process. No questions.

VI. **Disciplinary Report:** No.

VII. **Next Council Meeting Date:**

Thursday, February 2, 2023, at 12:00 p.m.

Carolyn Bloom mentioned that she had attended the recent FSBPT conference and that it was noted that Kansas has never had a PTA on their PT council and wondered if that was something the council would consider. Warran stated that a PTA would
be eligible to be on the council only if they also had a PT license. A change would require a change in statute (K.S.A. 65-2903).

VIII. **Adjourn** (Vequist, Gould, carried) at 12:38 p.m.
