

K.A.R. 100-6-2. Education and training requirements. (a) Each applicant for licensure by examination in medicine and surgery or osteopathic medicine and surgery who graduates from an accredited or unaccredited school of medicine on or after January 1, 2021 shall present to the board proof of completion of at least 36 months of a postgraduate training or residency training program. This program shall have been approved by the council on medical education of the American medical association, the American osteopathic association, or the substantial equivalent, as determined by the board, in the year in which the training took place.

(b) Each applicant for licensure by examination in medicine and surgery or osteopathic medicine and surgery who graduates from an accredited school of medicine before January 1, 2021 shall present proof of successful completion of at least 12 months of a postgraduate training or residency training program. This program shall have been approved by the council on medical education of the American medical association, the American osteopathic association, or the substantial equivalent, in the year in which the training took place.

(c) Each applicant for licensure by examination in medicine and surgery or osteopathic medicine and surgery who graduates from an unaccredited school of medicine before January 1, 2021 shall present proof of successful completion of at least 36 months of a postgraduate training program or residency training program. This program shall have been approved by the council on medical education of the American medical association, the American osteopathic association, or the substantial equivalent, as determined by the board, in the year in which the training took place.

(d) Each applicant for licensure by examination in chiropractic who matriculates in chiropractic college on or after January 1, 2000 shall present proof of having received a

baccalaureate degree from an accredited school or college. If the baccalaureate degree is granted by a chiropractic school or college, at least 90 semester hours applicable to the baccalaureate degree shall be earned at an accredited school or college, with none of these hours applying to the doctor of chiropractic degree. For purposes of this subsection, an “accredited school or college” shall meet the standards, or substantially equivalent standards as determined by the board, for accreditation of the higher learning commission.
