In light of unique challenges presented by the COVID-19 pandemic, the Kansas State Board of Healing Arts (“Board”) has identified ways the Board can contribute to the capacity of our state’s healthcare system to respond to COVID-19 consistent with Kansas law and relevant executive orders. The Board will continuously assess the situation as it develops.

EXTENSION OF LICENSES

The State of Disaster Emergency, as extended by Senate Bill 14, enacted during the 2021 Legislative Session, will expire on March 31, 2021.

Therefore, Pursuant to [Executive Order 20-39](#) and [Executive Order 21-02](#), any license showing an expiration date of **March 31, 2020, July 31, 2020, September 30, 2020, October 31, 2020, or December 31, 2020** is in good standing until **March 31, 2021**. All renewal applications will be considered timely if received by the Board on or before **March 31, 2021**. However, the Board will consider the renewal application late if it is received after **March 31, 2021**, and a late fee will apply to applicants attempting renewal under those circumstances (unless the State of Disaster Emergency is extended prior to March 31, 2021). See [Executive Order 20-39](#) and [Executive Order 21-02](#).
