

**6. License Designation.** Please select the license designation you are requesting.

- Active  A license issued to a person engaged in the practice of medicine and surgery, osteopathic medicine and surgery, chiropractic or podiatry. Individuals must maintain and submit evidence of satisfactory completion of a program of continuing education and are required to have professional liability insurance in compliance with Kansas law. Each active license may be renewed annually.
- Federal Active  A license issued to only a person who meets all the requirements for a license to practice the healing arts in Kansas and who practiced that branch of the healing arts solely in the course of employment or active duty in the United States government or any of its departments, bureaus or agencies or who, in addition to such employment or assignment, provides professional services as a charitable health care provider as defined under K.S.A. 75-6102. Continuing education, expiration and renewal of a license shall be applicable to a federally active license. A person who practices under a federally active license shall not be deemed to be rendering professional service as a health care provider in this state and is not required to have policy of professional liability coverage in effect.
- Inactive  A license issued to a person who is not regularly engaged in the practice of the healing arts in Kansas and who does not hold oneself out to the public as being professionally engaged in such practice. An inactive license shall not entitle the holder to practice the healing arts in this state. Each inactive license may be renewed annually. The holder of an inactive license shall not be required to submit evidence of satisfactory completion of a program of continuing education and is not required to have basic coverage or self-insurance in effect solely because such person is no longer engaged in rendering professional service as a health care provider.
- Exempt  A license issued to a person who is not regularly engaged in the practice of the healing arts or podiatry in Kansas and who does not hold oneself out to the public as being professionally engaged in such practice. Each exempt license may be renewed annually. The holder of an exempt license is entitled to all the privileges of their branch of the healing arts and (1) may serve as a coroner or as a paid employee of a local health department as defined by K.S.A. 65-241; or (2) practice as a charitable health care provider for an indigent health care clinic as defined by K.S.A. 75-6102. Additionally, the holder of an exempt license may perform administrative functions. The holder of an exempt license shall not be required to submit evidence of satisfactory completion of a program of continuing education nor are they required to have basic coverage or self-insurance in effect. I acknowledge by marking the exempt check box, that with an exempt license I will not be a health care provider as defined by K.S.A. 40-3401, that I am not required to maintain professional liability insurance in accordance with K.S.A. 40-3401 and that services I render while a holder of an exempt license will not be insured or covered by the Health Care Stabilization Fund. I intend to engage in the following professional activities in Kansas: \_\_\_\_\_

You must submit with your reinstatement application, a copy of the notice of basic coverage, certification of insurance or notification of the insurance binder from your insurance agent and/or company verifying compliance.

**8. List ALL employment/professional activity since your Kansas license was cancelled.** Account for all time and explain all gaps in professional activity. Attach an additional sheet if necessary. Include actual work address, not corporate headquarter's address.

## Addendum 5

### INSTRUCTIONS FOR REQUESTING A CRIMINAL BACKGROUND CHECK

Effective January 1, 2009, applicants to practice the healing arts will be required to submit their fingerprints for state and national criminal history background checks.

**Following is the *Waiver Agreement and FBI Privacy Act Statement*. Please complete, sign and date the *Waiver Agreement and FBI Privacy Act Statement* form with your application. Your application will not be deemed as completed without a completed and signed *Waiver Agreement and Statement* form.**

Fingerprinting should be conducted by a person who is appropriately trained to collect fingerprints. Your local law enforcement agency should be willing to assist you with completing the fingerprints. Some enforcement agencies offer electronic scanning (Livescan). Please visit our website at <http://www.ksbha.org/departments/licensing/licensingdept.shtml> for a listing of Livescan agencies. Have at least one form of picture identification for the law enforcement agency to examine.

If you do not utilize a Livescan agency, contact the Board at 785 296-7413 or 888-886-7205 to receive a fingerprint card or visit <https://www.fbi.gov/file-repository/standard-fingerprint-form-fd-258-1.pdf/view> to print a fingerprint card. If printing the card please print on card stock paper.

Please complete the applicant section of the fingerprint card. Ensure the appropriate data fields are completed prior to submitting the fingerprint card. Be sure to include name (including aliases, maiden and previous names), complete mailing address, social security number, citizenship, date of birth, and personal information (sex, race, height, weight, eyes, hair, place of birth). The spaces for OCA, FBI and MNU numbers can be left blank. Cards with missing or incomplete information will be rejected and must be resubmitted. Sign the card in front of the law enforcement officer. If you use Livescan, the agency may have a different form for you to complete.

Make a check or money order (do not send cash) payable to the Kansas State Board of Healing Arts for \$47. A fingerprint card submitted without payment will not be processed.

Provide the law enforcement officer with a stamped envelope addressed to KSBHA 800 Jackson LL-Suite A., Topeka KS 66612 to mail your fingerprint card or electronic scan, and fee. In addition, you may want to use a mailing service that allows for delivery confirmation to confirm your fingerprint card and payment have been received at the Board. Bent and folded cards will not be accepted and a new fingerprint card will be mailed to you for prints to be taken again.

A background check is valid for six (6) months. Application for licensure completed after the six (6) month period will be required to submit a new fingerprint card for a new clearance.

Any and all resubmissions of fingerprints cards require a \$47 as of February 1, 2015 to process. Resubmitted fingerprint cards will not be processed without payment.

Please complete, sign and return the *Waiver Agreement and FBI Privacy Act Statement* form with your application. Your application will not be deemed as complete without a completed and signed *Waiver Agreement and FBI Privacy Act Statement* form.

Fingerprint-Based Record Checks for Noncriminal Justice Purposes

I hereby authorize (*Name of Authorized Recipient*) \_\_\_\_\_ to submit a set of my fingerprints to the Kansas Bureau of Investigation (KBI) for the purpose of identifying me and accessing and reviewing Kansas and/or national criminal history records that may pertain to me. Pursuant to K.S.A. 22-4701 et seq. and K.S.A. 22-5001, the Authorized Recipient may obtain my criminal history record information for noncriminal justice purposes. ## GENERAL INFORMATION AND INSTRUCTIONS FOR REINSTATEMENT

Please visit [www.ksbha.org](http://www.ksbha.org) for all statutes and regulations governing your particular branch of the healing arts.

Thank you for your interest in becoming licensed in Kansas. Please read the following information very carefully. This information is vital to the successful completion of your application. Often your questions are covered in this form. Please allow two (2) weeks after the submission of the application before contacting our office. Do not make a commitment to any work dates prior to be licensed.

It is highly recommended you make and keep copies, for your records, of all items submitted for review. In addition, when mailing you may want to request a delivery confirmation to confirm your application has been received at the Kansas State Board of Healing Arts (KSBHA). Portions of the application may be copied and sent to the appropriate place to be completed and mailed directly to KSBHA. Do not fax original forms or documentation to the Board.

One of the missions of KSBHA is public protection through effective licensure and enforcement. One way the public is safeguarded is by issuing licenses to fully qualified, competent and ethical applicants. You will be asked a series of attestation questions. A "yes" answer is not an automatic disqualification from licensure. All applicants are considered on an individual basis. You may be requested to submit additional information or documents to the requirements mentioned herein before the application will be deemed complete to determine whether you are fit for licensure. You should know that licensure is a privilege, not a right. Failure to fully disclose could constitute grounds alone for denial of your application. Please avoid some of the common excuses: "My attorney told me I don't have to disclose." or "I did not think the prior act had anything to do with my profession or that it was still on my record or that it happened so long ago." There is no excuse for not disclosing.

Kansas reinstatement application fee for MDs, DOs and DCs is \$400.00 and \$300.00 for DPMs.. Kansas application fee must be submitted with the application and is **NOT** refundable. You may pay by check, debt card, Visa, MasterCard, Discover, American Express or money order. Make checks payable to KSBHA.
