Applicants for active licensure must provide evidence of professional liability insurance (which will be in effect as of the date of licensure) in compliance with Kansas law before a license will be issued. Each active license may be renewed annually. Licensees must maintain and submit evidence of satisfactory completion of a program of continuing education. Licensees must maintain and submit evidence of professional liability insurance, and contribute to the Kansas Health Care Stabilization Fund (more information about this fund can be found here: <https://hcsf.kansas.gov/>).
- Federal Active A license issued to only a person who meets all the requirements for a license to practice the healing arts in Kansas and who practiced that branch of the healing arts solely in the course of employment or active duty in the United States government or any of its departments, bureaus or agencies or who, in addition to such employment or assignment, provides professional services as a charitable health care provider as defined under K.S.A. 75-6102. ATTESTATION QUESTIONS

Please answer each of the following questions. **All “yes” answers MUST be thoroughly explained in detail on a separate signed page.** You are required to furnish complete details including date, place, reason, and disposition of the matter and attach all relevant documentation. All information received will be checked accordingly to verify the truth and veracity of your answers. **It is imperative you honestly and fully answer all questions, regardless of whether you believe the information requested is relevant.**

If you are unsure of your response to a question, check the “yes” box and submit the appropriate documentation. Your responses on your application are evaluated as evidence of your candor and honesty. An honest “yes” answer to a question on your application is not definitive as to the Boards' assessment of your present moral character and fitness, but a dishonest “no” answer is evidence of a lack of candor and honesty. Please be advised that a false response to any of these questions may be grounds for denial of licensure. If a question is not applicable, then check the “no” box.

GENERAL INFORMATION AND INSTRUCTIONS FOR INITIAL LICENSURE

Please visit www.ksbha.org for all statutes and regulations governing the practice of the [Podiatry](#)

Thank you for your interest in becoming licensed in Kansas. Please read the following information very carefully. This information is vital to the successful completion of your application. Often your questions are covered in this form. Please allow two (2 weeks after the submission of the application before contacting our office. **Do not** make a commitment to any work dates prior to be licensed.

Kansas does not have direct reciprocity with any state. It is highly recommended you make and keep copies, for your records, of all items submitted for review. In addition, when mailing you may want to request a delivery confirmation to confirm your application has been received at the Kansas State Board of Healing Arts (KSBHA office. Portions of the application may be copied and sent to the appropriate place to be completed and mailed directly to the KSBHA. Do not fax original forms or documentation to the Board.

One of the missions of KSBHA is public protection through effective licensure and enforcement. One way the public is safeguarded is by issuing licenses to fully qualified, competent and ethical applicants. You will be asked a series of attestation questions. A "yes" answer is not an automatic disqualification from licensure. All applicants are considered on an individual basis. You may be requested to submit information or documents in addition to the requirements mentioned herein before the application will be deemed complete to determine whether you are fit for licensure. You should know that licensure is a privilege, not a right. Failure to fully disclose could constitute grounds alone for denial of your application. Please avoid some of the common excuses: "My attorney told me I don't have to disclose." or "I did not think the prior act had anything to do with my profession or that it was still on my record or that it happened so long ago" There is no excuse for not disclosing.

Kansas application fee: \$300.00. Kansas application fee must be submitted with the application and is **NOT** refundable. You may pay by check, debt card, Visa, MasterCard, Discover, American Express or money order. Make checks payable to KSBHA. Checks returned for any reason by the payer's financial institution must be replaced by a money order, certified check, debt card or credit card.

Visit the Federation of Podiatric Medical Boards to request test scores and Federation Report at www.fpmb.org or call 561-752-3735. Kansas requires a minimum score of 75 on the NBPME Part III (formally PMLexis examination).

For all malpractice claims include a written statement from the insurance company or insurance/personal/institution attorney. Include date of occurrence, name of the insurance company involved in your behalf, name of claimant(s), other defendant(s) and/or institution involved, list of all attorneys involved, case number and location of filing, status of the matter, and summary of the occurrence. Failure to provide complete information will result in delay of processing the application.

The National Practitioner Data Bank (NPDB Report) was mandated by Congress and tracks regulatory board disciplinary actions, certain actions resulting from peer review and malpractice payments. All applicants include a \$3.00 report fee for the Board to obtain the NPDB report.

DPM licenses expire on September 30 and are renewed annually. Renewal will be required of all applicants receiving permanent licenses prior to July 1.
