

K.A.R. 100-28a-10. Supervision and direction; adequacy. Direction and supervision of the physician assistant shall be considered to be adequate if the responsible physician meets all of the following requirements: (a) At least annually, reviews and evaluates the professional competency of the physician assistant;

(b) at least annually, reviews any drug prescription protocol and determines if any modifications, restrictions, or terminations are required. Any of these changes shall be conveyed to the physician assistant and set forth in all copies of the protocol required by K.A.R. 100-28a-9 to be maintained and provided;

(c) engages in the practice of medicine and surgery in this state;

(d) ~~insures~~ ensures that the physician assistant has a current license issued by the board;

(e) within 10 days, reports to the board any knowledge of disciplinary hearings, formal hearings, public or private censure, or other disciplinary action taken against the physician assistant by any state's licensure or registration authority or any professional association;

(f) within 10 days, reports to the board any litigation, any threatened litigation, ~~or claim alleging professional incompetency or professional negligence on the part of the physician assistant~~ the termination of the physician assistant's employment, or the termination of responsibility by the responsible physician alleging conduct by the physician assistant that would constitute grounds for disciplinary action under the physician assistant licensure act;

(g) at least every 14 days, reviews all records of patients treated by the physician assistant and authenticates this review in the patient record;

(h) reviews patient records and authenticates the review in each patient record within 48 hours of treatment provided by the physician assistant if the treatment provided in an emergency exceeded the authority granted to the physician assistant by the responsible physician request form required by K.A.R.100-28a-9;

(i) provides for a designated physician to provide supervision and direction on each occasion when the responsible physician is temporarily absent, is unable to be immediately contacted by telecommunication, or is otherwise unavailable at a time the physician assistant could reasonably be expected to provide professional services;
and

(j) delegates to the physician assistant only those acts that constitute the practice of medicine and surgery that the responsible physician believes or has reason to believe can be competently performed by the physician assistant, based upon the physician assistant's background, training, capabilities, skill, and experience.
